OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

General Post Office,
The 8th February, 1844.

GENERAL POST OFFICE NOTIFICATION.

TO prevent all possible misunderstanding, and to enable all Parties to secure the prompt delivery of their Letters bearing postage—The following Rules, this day issued for the guidance of the Delivery Peons, are hereby published for general information:

1st. Every Peon will be provided with a Pugree, Kumerbund and Belt, of uniform color, and will carry a bell in his hand.

2d. No bearing letter will be delivered to any party, whatever, without payment of the postage charged thereon.

3d. The Peon, on reaching each house, will sound the bell, and deliver all paid and service letters as usual, and at the same time, demand postage for any bearing letter or letters he may hold.

After the first sounding of the bell, the Peon may wait two or three minutes, when, if the postage of such bearing letter or letters is not given, he will sound the bell a second time, waiting as before; at the expiration of the second two minutes, he will sound the bell for the third and last time, when, after two more minutes delay, if not paid, he will proceed to the next house, and return the unpaid letter to the Office.

While employed in delivery the Peons will move at a sharp pace, and never loiter or converse by the way.

The Peons will be careful in carrying out these orders, that they be not guilty of disrespect or incivility to any party.

And such process of arrest or confinement or an attempt to effect such process, shall in no case be omitted where it may be practicable;—but where resistance may be made, or from other circumstances such process may be impracticable, the offender or offenders shall be liable to trial and punishment at any subsequent period, within the limitations provided in these Articles of War.

ARTICLE 68.

No person shall be liable to be tried or punished for any offence against these Articles, which shall appear to have been committed *more than three years* previous to the order directing the assembly of the Court Martial whereby he is to be tried, unless the person accused, by reason of his absenting himself, or some other manifest impediment, shall not have been amenable to justice within that period; in which case such person shall be liable to be tried, at any time not exceeding *two years* after the impediment shall have ceased.

ARTICLE 69.

Any person amenable to these Articles of War, who may commit any offence against the same, may be tried and punished for such offence in any place within the British Territories, or elsewhere, where he may have come after the commission of the offence, in the same manner as if the offence had been committed where such trial shall take place.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce, 1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces, 2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces, 3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

5. The Council have latterly thought it expedient to give notice, to what books or parts of books they intend to confine the literary and historical examinations for the year, in order that the reading of the Students may not be spread over too wide a surface. They regret much that for the present year, it has not been possible to extend the notice beyond the Government Institutions.

They would, therefore, recommend Candidates from other Institutions, to consider whether it may not be prudent for them to postpone appearing for examination until next year, when care shall be taken, to give them notice of the books or parts of books, selected for the examination.

The following are the subjects referred to:—

POETRY.—Milton's Paradise Lost; Shakespere's Hamlet, Lear, Othello and Macbeth; and Gray's Poems as far as they are contained in Richardson's Selections.

best possible guarantee to the public and the Government of the results being fully, fairly, and impartially reported. The papers will therefore be examined by the following Gentlemen:

In cases of Non-Commissioned Officers Sentenced to be *Dismissed* from the service, the Commander in Chief may, in lieu of such punishment, direct that the offender be reduced to the ranks, or placed lower in the list of the rank which he holds.

And in cases of offenders Sentenced to *Imprisonment with Hard Labour*, the Commander in Chief may mitigate such Sentence by causing the offender to be reduced to the ranks, in the case of a Non-Commissioned Officer; or in the case of a Non-Commissioned Officer or Soldier by directing that he be dismissed from the service; or suffer Imprisonment without Hard Labour, and with or without Solitary Confinement, (to be regulated as aforesaid), for any period not exceeding that for which he shall have been Sentenced to such Imprisonment with Hard Labour.

Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

GENERAL POST OFFICE NOTIFICATION.

TO prevent all possible misunderstanding, and to enable all Parties to secure the prompt delivery of their Letters bearing postage—The following Rules, this day issued for the guidance of the Delivery Peons, are hereby published for general information:

1st. Every Peon will be provided with a Pugree, Kumerbund and Belt, of uniform color, and will carry a bell in his hand.

2d. No bearing letter will be delivered to any party, whatever, without payment of the postage charged thereon.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

NOTIFICATION BY THE HONORABLE THE LIEUTENANT GOVERNOR OF THE NORTH WESTERN PROVINCES.

GENERAL DEPARTMENT,
AGRA, THE 27TH SEPTEMBER, 1845.

The Hon'ble the Lieutenant Governor directs the publication of the following Orders, which have been issued in continuation of the Notification dated the 19th June last, on the subject of Indigenous Village Schools.

1. Circular to Collectors.
2. Directions to Tehsildars.

By order of the Hon'ble the Lieutenant Governor North Western Provinces,

J. THORNTON,
Secy. to Govt. N. W. P.

CIRCULAR.

TO THE COLLECTOR OF

1. Sir,—With reference to para. 12 of the printed Circular of 9th June last, I am desired to forward to you 6 copies of the Oordoo Series of Books for the Indigenous Schools.

2. The series consists of the following works, the prices of which are attached. Lithographed copies of letters, words, &c. and Arithmetical tables—1 pice each, or 2 annas the set of 12, or 1 Rupee a hundred.

No. I. Letters, words, and forms, such as are commonly taught in Village Schools, and are of frequent use in village transactions, pp. 17, 1 anna.

No. II. The elements of Arithmetic, according to the Native method, pp. 38, 3 annas.

No. III. Mensuration, according to the Native method in these Provinces, pp. 22, 3 annas.

No. IV. The forms of Putwarrie's Papers, with explanations of the object of each, and the mode of preparing them, pp. 52, 4 annas.

3. A similar series in Hindi is now in the Press, and will be hereafter circulated in the same manner as this series.

4. These books have been prepared by Rai Ram Surrun Dass, the Deputy Collector of Dehlie, under the direction of the Government. You will observe that they are strictly elementary. The two first books give, in the way familiar to Natives, the instruction now conveyed orally, or by writing in Native Schools. But the present instruction wants uniformity and accuracy, which it is hoped these books will supply. The third and fourth books embrace subjects not at present ordinarily taught in Native Schools, but they address themselves to the wants of the agricultural classes and are designed to afford an object and practical direction, to the school teaching. Abundant proof is daily furnished of the great want that exists even of this elementary instruction.

5. Out of 1359 villages in Agra there are schools only in 72. Out of a population of 645,070 only 2,831 are under tuition.

6. In Goruckpore, containing 15,714 villages, there are only 322 schools: and out of a population of 2,386,831 only 3,092 are said to be under tuition. There is every reason to believe that in other parts of the country the means of instruction are equally scanty.

7. Assuming boys from the commencement of their 5th to the end of their 14th year to be of an age best adapted for receiving instruction, it is calculated that, in the Lower Provinces, the percentage of such boys now receiving instruction varies from 32 in Bengal to a little more than 5 in Behar. In Bombay it appears to vary from 7 to 13. In Agra, one of the most *favored* districts in these Provinces, it is only 5½.

8. The ignorance is therefore great and universal, and the necessity for its removal, general and pressing. The voluntary efforts of the people are the only means which can be looked to for the remedy. The Government is most likely to succeed by endeavouring to arouse them to a sense of their wants, and by offering them encouragement and assistance in supplying these wants.

9. You will receive with this letter, packets of the series for each of your Tehsildars, with further instructions for their guidance. You will loose no time in destributing these packets, and in adding the weight of your own personal influence to the exhortations of the Government in furtherance of the plan.

10. It is not desirable that pecuniary inducements be held out to the people by the Government for the formation of Schools. No funds now at the disposal of the Government would admit of general disbursements of this nature; and it is otherwise most desirable that the people should be led to acquire the knowledge, for its evident value to themselves rather than for any immediate pecuniary reward it may bring them. If rewards are given they should be given to the masters and not to the pupils. At the same time, if any public officers or other residents in the district are peculiarly active and successful in the establishment of Schools, you will be ready yourself to commend and reward them in any suitable way; and you will not fail to bring to the notice of the Government those whom you think deserving of marked encouragement.

11. It is better that the books, which may be wanted over and above those which are now furnished to you gratuitously, should be purchased rather than given away. They will be more valued, and better cared for. If, however, you are desirous of affording some direct help towards the establishment of schools, a grant of books will be made you, and you will be at liberty either to give them away, where you think they will be prized, or you may sell them and devote the proceeds to the rewarding of deserving masters, or

building of school houses, of similar objects. The curator of School Books at Agra will always supply you with copies of the books for sale. You will use your constant endeavour to promote the sale, and to procure books for those who are desirous to purchase them.

I have the honor to be,
Sir,
Your most obedient servant,
(Signed) J. THORNTON,
Secy. to Govt. N. W. P.

GENERAL DEPARTMENT,
Agra, the 27th September, 1845.

DIRECTIONS TO TEHSILDARS.

1. With reference to para. 4 of the former Directions of 9th June last, three copies of the following series of School Books, in Ordoo, are now forwarded to you.

Copies and Tables, price each 1 pice or 2 annas the set of 1¼ or 1 rupee the 100.

No. I.	Letters and words, price per copy, Anna	1
No. II.	Arithmetic, ...	3
No. III.	Mensuration,.....	3
No. IV.	Putwarries' Papers,.....	4

2. You are requested to make these books generally known within the limits of your Tehsildarry, by showing them to all who may come to you, by lending them out, and by permitting persons to copy them.

3. You will assist persons who may wish to purchase such books, by forwarding their application to the Collector and making yourself the medium for supplying the want.

4. You will explain to all Zemindars and Putwarries, who may resort to your Cutcherry, as well as to all wealthy and influential persons within your jurisdiction, the importance of acquiring themselves a knowledge of the contents of these books and of teaching them to their children. You will encourage them to establish Schools amongst themselves, and will help them to find good teachers if they desire it. When you visit the different villages in your district, you will make enquiry about the Schools, ascertain the capacity of the School-master, and give him such advice or encouragement as you may find necessary.

5. You will direct the Pergunnah Canoongoes to give you their aid in this work.

6. You will understand that you are on no account to use any force or compulsion in your attempts, either to multiply Schools or otherwise to instruct the people. The Government are most desirous that the effort should be made by the people themselves, from a sense of its importance for securing advantage to themselves. Explanation and persuasion are the means you must employ, and there can be little doubt, that these judiciously and conscientiously brought into use will in due time awaken the people to a proper sense of their true interest.

7. A similar series of Elementary Books in Hindi is now in the Press, and will shortly be forwarded to you, in the same manner as the present packet.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

General Post Office,
The 8th February, 1844.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)

Above ½, and not exceeding 1 ounce, 1 Rupee, ... (2 Shillings)

Above 1, and not exceeding 2 ounces, 2 Rupees, ... (4 Shillings)

Above 2, and not exceeding 3 ounces, 3 Rupees, ... (6 Shillings)

And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

NOTICE TO THE RESIDENTS OF ARRACAN AND MOULMEIN.

GREAT inconvenience has arisen from Private Stores or Packages brought up from the Ports of Arracan and the Port of Moulmein in the Steamers, being left on board of them, many days after the arrival of the Vessels, the residents of these Ports are requested therefore, to take Notice that the Commanders and Officers of the Steamers will not be held responsible for any packages beyond 48 hours after the arrival of the Vessels in which they are shipped, and that all that are not sent for, before the expiration of that time, will be landed at the risk of the parties to whom they belong, and either be sent to the Custom House or otherwise disposed of. Parties forwarding packages in the Steamers, should be careful therefore, to advise their Friends or Agents here, to send for such packages directly the Steamer on which they are forwarded to Calcutta, arrives; and Passengers should not neglect to land their baggage without delay or it will also be sent to the Custom House or otherwise disposed of.

In the event of the Military Board's accepting of a Tender and the Tendering party wishing to

revert from the same, the sum deposited with such Tender will be forfeited to Government.

8th.—All parties concerned will attend in person or by proxy, (mentioning the names of those appointed as such) at the Meerutt Executive Commissariat Office, at 12 o'Clock, on the 1st November 1845, when the Tenders will be opened in their presence,—those that are not present will not be recognized.

9th.—The acceptance of all Tenders rests entirely with the Military Board, whose decision will be communicated on the receipt of the Board's orders to the parties concerned, and the necessary arrangement entered into.

10th.—Every Tender must be accompanied by a printed or manuscript copy of the Advertisement to which it refers, countersigned by the Tendering party, and no Tender unaccompanied by such document will be taken into any consideration at all.

11th.—The Tendering parties are directed not to have any erasures, alterations or interlines made in their Tenders, and no Hoondees shall be received with the Tenders, but only Cash deposits. But if the Tendering parties are inclined to give a Government Promissory Note as their Security deposit, they are not to enclose it in their Tender, but to deliver it to the Executive Commissariat Officer personally and making it payable to him.

12th.—The Tendering parties are further directed to understand throughly the content of their Tenders before presenting them to the Commissariat Officer; should the individuals be unable to read and write, they are to have their Tenders properly explained to them as regards the rates, wages, &c. &c. as no objections on their account of any kind will be attended to at the opening of the Tenders. It is to be further understood that any Tender made contrary to the above Rules shall not be attended to.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shilling)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

The 8th February, 1844.

NOTICE TO THE RESIDENTS OF ARRACAN AND MOULMEIN.

GREAT inconvenience has arisen from Private Stores or Packages brought up from the Ports of Arracan and the Port of Moulmein in the Steamers, being left on board of them, many days after the arrival of the Vessels, the residents of these Ports are requested therefore, to take Notice that the Commanders and Officers of the Steamers will not be held responsible for any packages beyond 48 hours after the arrival of the Vessels in which they are shipped, and that all that are not sent for, before the expiration of that time, will be landed at the risk of the parties to whom they belong, and either be sent to the Custom House or otherwise disposed of. OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas, ... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee, ... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

GREAT inconvenience has arisen from Private Stores or Packages brought up from the Ports of Arracan and the Port of Moulmein in the Steamers, being left on board of them, many days after the arrival of the Vessels, the residents of these Ports are requested therefore, to take Notice that the Commanders and Officers of the Steamers will not be held responsible for any packages beyond 48 hours after the arrival of the Vessels in which they are shipped, and that all that are not sent for, before the expiration of that time, will be landed at the risk of the parties to whom they belong, and either be sent to the Custom House or otherwise disposed of. Parties forwarding packages in the Steamers, should be careful therefore, to advise their Friends or Agents here, to send for such packages directly the Steamer on which they are forwarded to Calcutta, arrives; and Passengers should not neglect to land their baggage without delay or it will also be sent to the Custom House or otherwise disposed of.

GENERAL POST OFFICE NOTIFICATION.

TO prevent all possible misunderstanding, and to enable all Parties to secure the prompt delivery of their Letters bearing postage—The following Rules, this day issued for the guidance of the Delivery Peons, are hereby published for general information:

1st. Every Peon will be provided with a Pugree, Kumerbund and Belt, of uniform color, and will carry a bell in his hand.

2d. No bearing letter will be delivered to any party, whatever, without payment of the postage charged thereon.

3d. The Peon, on reaching each house, will sound the bell, and deliver all paid and service letters as usual, and at the same time, demand postage for any bearing letter or letters he may hold.

After the first sounding of the bell, the Peon may wait two or three minutes, when, if the postage of such bearing letter or letters is not given, he will sound the bell a second time, waiting as before; at the expiration of the second two minutes, he will sound the bell for the third and last time, when, after two more minutes delay, if not paid, he will proceed to the next house, and return the unpaid letter to the Office.

While employed in delivery the Peons will move at a sharp pace, and never loiter or converse by the way.

The Peons will be careful in carrying out these orders, that they be not guilty of disrespect or incivility to any party.

Offg. Post Master Genl.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

NOTICE TO THE RESIDENTS OF ARRACAN AND MOULMEIN.

GREAT inconvenience has arisen from Private Stores or Packages brought up from the Ports of Arracan and the Port of Moulmein in the Steamers, being left on board of them, many days after the arrival of the Vessels, the residents of these Ports are requested therefore, to take Notice that the Commanders and Officers of the Steamers will not be held responsible for any packages beyond 48 hours after the arrival of the Vessels in which they are shipped, and that all that are not sent for, before the expiration of that time, will be landed at the risk of the parties to whom they belong, and either be sent to the Custom House or otherwise disposed of. WITH reference to the Notification issued by this Office, under date the 15th ultimo—Notice is hereby given for general information, that by orders of the Government of India, the Bombay General Post Office Notification of the 3d idem, fixing extra rates of Postage on Overland Letters and Papers transmitted thence to Calcutta by Express Mail, has been cancelled, and that the ordinary rates only, will, as heretofore, continue to be charged on covers, forwarded by the usual Import Overland Express from that Presidency.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE.
THE 7TH NOVEMBER, 1845.

The following Draft of a proposed Act was read in Council for the first time on the 7th of November 1845:

ACT No. —— OF 1845.

An Act regarding Lands gained from the Sea or from Rivers by alluvion or dereliction.

I. It is hereby enacted, that all the Regulations and Laws of the Bengal Code which prescribe the course to be followed in the Resumption of Lands gained from the Sea or from Rivers, by alluvion or dereliction, are repealed.

II. And it is hereby enacted, that after the expiration of ten years from the date of the passing of this Act, it shall be lawful for the Governor of Bengal, in all Zillahs and Districts, of which a Revenue Survey may have been completed and approved, and in no other, to direct an enquiry to be made by Officers appointed for that purpose, into the condition of the Lands on the banks of Rivers, and on the shores of the Sea, in order to ascertain the changes that may have taken place in the same since the date of the Survey and to correct the Maps accordingly.

III. And it is hereby enacted, that whenever it shall appear to the Local Revenue Authorities on inspection of the Maps so corrected, that Land has been washed away from or lost to any Zemindary, Talook, or other tenure, paying Revenue directly to Government, they shall without loss of time make a suitable deduction from the Sudder Jumma of the said tenure, either according to the actual Jumma of the Lands lost, if that be known and recorded, or rateably according to the proportion of the Land lost to that left, as compared with the Sudder Jumma of the whole tenure. And this deduction with the reasons thereof shall be forthwith reported by the Local Revenue Authorities for the information and orders of the Sudder Board of Revenue, whose orders thereupon shall be final.

IV. And it is hereby enacted, that whenever it shall appear to the Local Revenue Authorities on inspection of the Maps so corrected as aforesaid, that Land has been added to any Zemindary, Talook, or other tenure paying Revenue directly to Government, they shall without delay assess the same with a Revenue payable to Government according to the Rules in force for assessing alluvial increments, and shall report their proceedings forthwith to the Sudder Board of Revenue whose orders thereupon shall be final.

V. And it is hereby enacted, that whenever it shall appear to the Local Revenue Authorities on inspection of the Maps corrected as aforesaid that an Island has been thrown up in a large and navigable river, liable to be taken possession of by Government under Clause Third, Section IV. Regulation XI. 1825, the said Local Authorities shall take immediate possession of the same on behalf of Government, and shall assess and settle the land according to the Rules in force in that behalf, reporting their proceedings as aforesaid for the approval of the Sudder Board of Revenue, whose orders thereupon in regard to the assessment shall be final. Provided however that any party aggrieved by the act of the Revenue Authorities in taking possession of any Island as aforesaid, shall be at liberty to contest the same by a Regular Suit in the Civil Court.

VI. And it is hereby enacted, that in every case comprehended in the three last foregoing Sections, the corrected Map of the lands signed by the Officer appointed by Government to make the investigation and correction of the same, shall be deemed in all Courts conclusive evidence of the alluvion or dereliction, or of the formation of an Island as the case may be, and of all particulars thereof in each instance.

VII. And it is hereby enacted, that it shall be lawful to make a like enquiry and correction of Maps and a like abatement of Jumma or assessment of new lands, and to take a like possession of all Islands in unfordable channels, at the expiration of every ten years from the date of the completion of the enquiry and correction of Maps last preceding but not oftener.

VIII. And it is hereby enacted, that nothing in this Act contained shall affect Resumption Suits for Alluvial Lands now pending in appeal before the Special Commissioners, or such as, having been decided by the Lower Resumption Courts, are still at the date of the passing of this Act open to appeal to the Court of the Special Commissioners according to the Laws heretofore in force. All such cases shall proceed as if this

present Act had never been passed. But all Resumption cases of Alluvial Lands now pending undecided before the Collectors or Deputy Collectors shall be struck off the file from the date of the passing of this Act, and all proceedings in them shall cease and determine.

IX. And it is hereby enacted, that except as regards the proprietory right to Islands surrounded by unfordable Channels no suit or action in any Court of Justice shall lie against the Government or any of its Officers on account of any thing done in conformity with the provisions of this Act.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 7th day of May next.

"*Steamer Victoria.*"

NOTICE is hereby given, for general information, that the Mails for Bombay, and the intermediate Ports, (Point de Galle, Colombo, Cochin, Calicut, Cannanore, Goa, Vengorla and Rutnagherry,) intended for transmission per Steamer Victoria, will be closed at and despatched from this Office on Wednesday the 19th instant.

CHAS. CRICHTON,
Deputy Post Master General.

Fort William, Genl. Post Office,
The 14th November, 1845.

GENERAL POST OFFICE NOTIFICATION.

TO prevent all possible misunderstanding, and to enable all Parties to secure the prompt delivery of their Letters bearing postage—The following Rules, this day issued for the guidance of the Delivery Peons, are hereby published for general information:

1st. Every Peon will be provided with a Pugree, Kumerbund and Belt, of uniform colour, and will carry a bell in his hand.

2d. No bearing letter will be delivered to any party, whatever, without payment of the postage charged thereon.

3d. The Peon, on reaching each house, will sound the bell, and deliver all paid and service letters as usual, and at the same time, demand postage for any bearing letter or letters he may hold.

After the first sounding of the bell, the Peon may wait two or three minutes, when, if the postage of such bearing letter or letters is not given, he will sound the bell a second time, waiting as before; at the expiration of the second two minutes, he will sound the bell for the third and last time, when, after two more minutes delay, if not paid, he will proceed to the next house, and return the unpaid letter to the Office.

While employed in delivery the Peons will move at a sharp pace, and never loiter or converse by the way.

The Peons will be careful in carrying out these orders, that they be not guilty of disrespect or incivility to any party.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

General Post Office,
The 8th February, 1844.

GENERAL POST OFFICE NOTIFICATION.

EXPORT OVERLAND MAIL VIA BOMBAY.

THE Government of Bombay having appointed the 1st Proximo, for the departure of the next Steamer therefrom, with a Mail for Suez—Notice accordingly is hereby given for general information, that the latest safe date, for he transmission of letters and papers from Calcutta, which may be intended for conveyance by that opportunity, will be Wednesday, the 19th instant, and that the first set of the Overland Packets will be closed at and despatched from this Office on Monday, the 17th idem. Letters and papers not specially superscribed by any particular route, will be forwarded via Marseilles.

W. TAYLER,
Post Master General.

Fort William, Genl. Post Office,
The 1st November, 1845.

POST OFFICE NOTIFICATION.

P. and O. Steamers.

THE Bi-monthly Overland Communication having now been regularly established between this Country and Europe, and the arrangements for the conveyance of the Mails, direct, between Calcutta and Suez, finally completed and brought into operation; Notice, accordingly, is hereby given, that the rates of Postage charged on Letters and Papers carried by the Government Steamers from and to Bombay, will likewise be levied, in future, on Letters and Newspapers conveyed by the Peninsular and Oriental Company's Vessels, from and to Calcutta, both by way of Southampton, and via Marseilles.

1. The rules relative to the former, having also been made applicable, in every respect, to the latter, are subjoined for the information and guidance of the Public, in general. The scale of British Steam Postage, is, as follows, viz.

On every letter not exceeding ½ an ounce in weight, ...8 As. or one Shilling.
On ditto above ½ oz. and not exceeding one ounce, ...1 R. or two ditto.
On ditto above 1 oz and not exceeding two ounces, ...2 Rs. or four ditto.
On ditto above 2 oz. and not exceeding three ounces, ...3 Rs. or six ditto.

and so on, increasing One Rupee, or Two Shillings, for every additional ounce weight, or any fraction thereof.

2. British weights not being generally available in this country, the following coins of the Hon'ble Company's currency, are recommended as the best substitutes:

In lieu of ½ an ounce..... One Rupee and One Copper Pie.
In lieu of one ounce..... Two Copper Half Anna Pieces (or Double Pice) and One Pie—the former Coins are procurable by paying the equivalent, at the Mint.

3. Every person confining his English correspondence to the weight of the two former Coins, will be certain of being within the weight prescribed for a single Steamer Letter, and every Letter not exceeding the aggregate weight of the three latter Coins, will, in like manner, be within the weight allowed for a double Steamer Letter.

4. Steam Postage on Letters for Foreign and Continental Europe, or any place to which Great Britain does not necessarily form a channel of communication, forwarded via "Marseilles," as well as letters for Egypt, Syria, Turkey, Greece, and the Mediterranean Islands, subject to Red Sea (Steam) Postage, *must*, as heretofore, be pre-paid in this country.

5. Steam Postage on Letters for the United States or British Colonies in America, or the West Indies (unless addressed to Agents in Great Britain,) *cannot* be pre-paid in this country, whether sent by way of "Marseilles," or via Southampton.

6. The same rule applies equally to Letters for the United Kingdom, comprising England, Scotland, Ireland, Wales, and all the British Islands, despatched through "Marseilles," and also to those for the Continent of Europe, transmitted by way of "Southampton."

7. Letters for any Foreign country, directed to an Agent in England, will be received and disposed of, as if addressed to the United Kingdom.

8. The optional pre-payment of Steamer Postage, applies only to Letters sent, by the "Southampton" Route, to places within the United Kingdom, and vice versa.

9. The Term "Paid (or Pre-paid," which is synonymous) being the distinctive mark (indicative of the wishes of Senders) and the only guide for the Post Office Receivers, all Letters for the United Kingdom via "Southampton," which may be so marked, will, accordingly, be charged with Steamer Postage, and such as are not so superscribed, will be sent "Bearing."

10. The Inland (Indian) Postage which is quite distinct from, and always levied in addition to, Steam Postage, *must* be paid in advance, by the Sender, at the Posting Office, on Letters forwarded from out Stations to Calcutta or Bombay, or from either one Presidency to the other, for transmission by the Steamers, and vice versa, that is, by the Addressee at the Receiving Office. The word paid, therefore, should not be put on any Letter, except on those on which Senders, having the option, intend to Pre-Pay Steam Postage also.

11. No Letter exceeding 12 tolas, (a fraction under 5 ounces) in weight can be transmitted per Letter Mail; but if forwarded by Government Banghy Post, or otherwise sent to Bombay or Calcutta, it may be despatched by the Steamer, from either Presidency.

12. It is particularly requested, that Letters and Papers from the Mofussul, intended for despatch by the Overland Mail, from Calcutta, may be accordingly superscribed, for the guidance of the person who originally receives such Letters at the Posting Office. The route (Southampton or Marseilles) by which they are intended to be forwarded, should always be clearly specified also. Any Letter not marked "Per Steam," or "Overland," will be sent by a Sailing Vessel. In order to avoid mistakes, the name of the country, which a Letter is destined to, (England for example,) should be the last word in the superscription. Letters posted in Calcutta for despatch via Bombay should be accordingly directed.

13. Although ½ ounce is the single weight for regulating Steamer Postage charge, the quarter tola continues to be the single weight for Inland Postage to Bombay, which Letter (from Calcutta to that Presidency,) amounts to Seven Annas.

14. An extra charge of One Rupee for every half tola weight, is made on Letters sent by the Overland Express from Calcutta to Bombay, and no Letter above one tola weight can be forwarded by such conveyance. Thus, for instance, a Pre-Paid Steam Letter of one tola weight, posted in Calcutta for transmission, via Bombay, would be charged with Postage, amounting to Rs. 3 6-0, viz.

Ordinary Inland Postage,	0	14	0
Express ditto,	2	0	0
Steam ditto,	0	8	0
Total Rs.	3	6	0

15. It is requested that no Firm or individual will send Letters exceeding Two Tolas Weight in the aggregate, and that each Letter be superscribed "Overland Express" when intended for such conveyance.

16. The Tola Weight above mentioned is equal to 180 Grains Troy, being the Standard Weight of the Company's Rupee.

17. Postage is levied according to the prescribed weight, without reference to the quality or quantity of the Paper.

18. No Steam Postage whatever is charged in India on Newspapers sent from this country, but Inland Postage to, and from, Bombay must be paid.

19. Receipts, if required, must be brought ready written, along with the Letters, &c. to the Post Office.

The foregoing explanation is given in detail, for the express purpose of preventing mistakes and consequent disappointment.

Any further change that may, hereafter, take place, will be duly notified.

L. J. H. GREY,
Post Master General.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 7TH NOVEMBER, 1845.

The following Draft of a proposed Act was read in Council for the first time on the 7th of November 1845:

ACT No. —— OF 1845.

An Act regarding Lands gained from the Sea or from Rivers by alluvion or dereliction.

I. It is hereby enacted, that all the Regulations and Laws of the Bengal Code which prescribe the course to be followed in the Resumption of Lands gained from the Sea or from Rivers, by alluvion or dereliction, are repealed.

II. And it is hereby enacted, that after the expiration of ten years from the date of the passing of this Act, it shall be lawful for the Governor of Bengal, in all Zillahs and Districts, of which a Revenue Survey may have been completed and approved, and in no other, to direct an enquiry to be made by Officers appointed for that purpose, into the condition of the Lands on the banks of Rivers, and on the shores of the Sea, in order to ascertain the changes that may have taken place in the same since the date of the Survey and to correct the Maps accordingly.

III. And it is hereby enacted, that whenever it shall appear to the Local Revenue Authorities on inspection of the Maps so corrected, that Land has been washed away from or lost to any Zemindary, Talook, or other tenure, paying Revenue directly to Government, they shall without loss of time make a suitable deduction from the Sudder Jumma of the said tenure, either according to the actual Jumma of the Lands lost, if that be known and recorded, or rateably according to the proportion of the Land lost to that left, as compared with the Sudder Jumma of the whole tenure. And this deduction with the reasons thereof shall be forthwith reported by the Local Revenue Authorities for the information and orders of the Sudder Board of Revenue, whose orders thereupon shall be final.

IV. And it is hereby enacted, that whenever it shall appear to the Local Revenue Authorities on inspection of the Maps so corrected as aforesaid, that Land has been added to any Zemindary, Talook, or other tenure paying Revenue directly to Government, they shall without delay assess the same with a Revenue payable to Government according to the Rules in force for assessing alluvial increments, and shall report their proceedings forthwith to the Sudder Board of Revenue whose orders thereupon shall be final.

V. And it is hereby enacted, that whenever it shall appear to the Local Revenue Authorities on inspection of the Maps corrected as aforesaid that an Island has been thrown up in a large and navigable river, liable to be taken possession of by Government under Clause Third, Section IV. Regulation XI. 1825, the said Local Authorities shall take immediate possession of the same on behalf of Government, and shall assess and settle the land according to the Rules in force in that behalf, reporting their proceedings as aforesaid for the approval of the Sudder Board of Revenue, whose orders thereupon in regard to the assessment shall be final. Provided however that any party aggrieved by the act of the Revenue Authorities in taking possession of any Island as aforesaid, shall be at liberty to contest the same by a Regular Suit in the Civil Court.

VI. And it is hereby enacted, that in every case comprehended in the three last foregoing Sections, the corrected Map of the lands signed by the Officer appointed by Government to make the investigation and correction of the same, shall be deemed in all Courts conclusive evidence of the alluvion or dereliction, or of the formation of an Island as the case may be, and of all particulars thereof in each instance.

VII. And it is hereby enacted, that it shall be lawful to make a like enquiry and correction of Maps and a like abatement of Jumma or assessment of new lands, and to take a like possession of all Islands in unfordable channels, at the expiration of every ten years from the date of the completion of the enquiry and correction of Maps last preceding but not oftener.

VIII. And it is hereby enacted, that nothing in this Act contained shall affect Resumption Suits for Alluvial Lands now pending in appeal before the Special Commissioners, or such as, having been decided by the Lower Resumption Courts, are still at the date of the passing of this Act open to appeal to the Court of the Special Commissioners according to the Laws heretofore in force. All such cases shall proceed as if this present Act had never been passed. But all Resumption cases of Alluvial Lands now pending undecided before the Collectors or Deputy Collectors shall be struck off the file from the date of the passing of this Act, and all proceedings in them shall cease and determine.

IX. And it is hereby enacted, that except as regards the proprietory right to Islands surrounded by unfordable Channels no suit or action in any Court of Justice shall lie against the Government or any of its Officers on account of any thing done in conformity with the provisions of this Act.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 7th day of May next

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)

Above ½, and not exceeding 1 ounce, 1 Rupee, ... (2 Shillings)

Above 1, and not exceeding 2 ounces, 2 Rupees, ... (4 Shillings)

Above 2, and not exceeding 3 ounces, 3 Rupees, ... (6 Shillings)

And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

LEGISLATIVE.

THE 7TH NOVEMBER, 1845.

The following Draft of a proposed Act was read in Council for the first time on the 7th of November 1845:

ACT No. —— OF 1845.

An Act regarding Lands gained from the Sea or from Rivers by alluvion or dereliction.

I. It is hereby enacted, that all the Regulations and Laws of the Bengal Code which prescribe the course to be followed in the Resumption of Lands gained from the Sea or from Rivers, by alluvion or dereliction, are repealed.

II. And it is hereby enacted, that after the expiration of ten years from the date of the passing of this Act, it shall be lawful for the Governor of Bengal, in all Zillahs and Districts, of which a Revenue Survey may have been completed and approved, and in no other, to direct an enquiry to be made by Officers appointed for that purpose, into the condition of the Lands on the banks of Rivers, and on the shores of the Sea, in order to ascertain the changes that may have taken place in the same since the date of the Survey and to correct the Maps accordingly.

III. And it is hereby enacted, that whenever it shall appear to the Local Revenue Authorities on inspection of the Maps so corrected, that Land has been washed away from or lost to any Zemindary, Talook, or other tenure, paying Revenue directly to Government, they shall without loss of time make a suitable deduction from the Sudder Jumma of the said tenure, either according to the actual Jumma of the Lands lost, if that be known and recorded, or rateably according to the proportion of the Land lost to that left, as compared with the Sudder Jumma of the whole tenure. And this deduction with the reasons thereof shall be forthwith reported by the Local Revenue Authorities for the information and orders of the Sudder Board of Revenue, whose orders thereupon shall be final.

IV. And it is hereby enacted, that whenever it shall appear to the Local Revenue Authorities on inspection of the Maps so corrected as aforesaid, that Land has been added to any Zemindary, Talook, or other tenure paying Revenue directly to Government, they shall without delay assess the same with a Revenue payable to Government according to the Rules in force for assessing alluvial increments, and shall report their proceedings forthwith to the Sudder Board of Revenue whose orders thereupon shall be final.

V. And it is hereby enacted, that whenever it shall appear to the Local Revenue Authorities on inspection of the Maps corrected as aforesaid that an Island has been thrown up in a large and navigable river, liable to be taken possession of by Government under Clause Third, Section IV. Regulation XI. 1825, the said Local Authorities shall take immediate possession of the same on behalf of Government, and shall assess and settle the land according to the Rules in force in that behalf, reporting their proceedings as aforesaid for the approval of the Sudder Board of Revenue, whose orders thereupon in regard to the assessment shall be final. Provided however that any party aggrieved by the act of the Revenue Authorities in taking possession of any Island as aforesaid, shall be at liberty to contest the same by a Regular Suit in the Civil Court.

VI. And it is hereby enacted, that in every case comprehended in the three last foregoing Sections, the corrected Map of the lands signed by the Officer appointed by Government to make the investigation and correction of the same, shall be deemed in all Courts conclusive evidence of the alluvion or dereliction, or of the formation of an Island as the case may be, and of all particulars thereof in each instance.

VII. And it is hereby enacted, that it shall be lawful to make a like enquiry and correction of Maps and a like abatement of Jumma or assessment of new lands, and to take a like possession of all Islands in unfordable channels at the expiration of every ten years from the date of the completion of the enquiry and correction of Maps last preceding but not oftener.

VIII. And it is hereby enacted, that nothing in this Act contained shall affect Resumption Suits for Alluvial Lands now pending in appeal before the Special Commissioners, or such as, having been decided by the Lower Resumption Courts, are still at the date of the passing of this Act open to appeal to the Court of the Special Commissioners according to the Laws heretofore in force. All such cases shall proceed as if this present Act had never been passed. But all Resumption cases of Alluvial Lands now pending undecided before the Collectors or Deputy Collectors shall be struck off the file from the date of the passing of this Act, and all proceedings in them shall cease and determine.

IX. And it is hereby enacted, that except as regards the proprietory right to Islands surrounded by unfordable Channels no suit or action in any Court of Justice shall lie against the Government or any of its Officers on account of any thing done in conformity with the provisions of this Act.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 7th day of May next.

Calcutta, Genl. Post Office,

GENERAL POST OFFICE NOTIFICATION.

TO prevent all possible misunderstanding, and to enable all Parties to secure the prompt delivery of their Letters bearing postage—The following Rules, this day issued for the guidance of the Delivery Peons, are hereby published for general information:

1st. Every Peon will be provided with a Pugree, Kumerbund and Belt, of uniform color, and will carry a bell in his hand.

2d. No bearing letter will be delivered to any party, whatever, without payment of the postage charged thereon.

3d. The Peon, on reaching each house, will sound the bell, and deliver all paid and service letters as usual, and at the same time, demand postage for any bearing letter or letters he may hold.

After the first sounding of the bell, the Peon may wait two or three minutes, when, if the postage of such bearing letter or letters is not given, he will sound the bell a second time, waiting as before; at the expiration of the second two minutes, he will sound the bell for the third and last time, when, after two more minutes delay, if not paid, he will proceed to the next house, and return the unpaid letter to the Office.

While employed in delivery the Peons will move at a sharp pace, and never loiter or converse by the way.

The Peons will be careful in carrying out these orders, that they be not guilty of disrespect or incivility to any party.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 22D NOVEMBER, 1845.

The following Act is brought up before the Legislative Council this day,—Resolved—That the Rules requiring that all Acts shall be brought up for second reading in two months or in three months from the date of the first reading be suspended in respect to the following Proposed Act, and that it be at once passed into Law—the assent of the Right Hon'ble the Governor General of India having been obtained and recorded.

ACT No. XXIII. OF 1845.

An Act to enable "The Union Bank of Calcutta" to sue and to be sued in the name of the Secretary or of the Treasurer of the said Company.

Whereas by and under a certain Deed of Partnership or Association or an Agreement in writing of that nature bearing date the 1st day of August 1839, several persons have formed themselves into a certain Company or Co-partnership by the name of "The Union Bank of Calcutta," by which said Deed or Agreement it was and is provided (amongst other things) that the business of the said Company should consist in issuing Promissory Notes payable to bearer on demand at their Office in Calcutta for any sum of not less than Eight Company's Rupees, and not exceeding One Thousand Company's Rupees, and Bills of Exchange payable at such time after date or sight as the Directors for the time being should fix to parties who should require the same and deposit the amount of such Bills in the said Bank, which deposit should bear interest at such rate as the Directors should fix, and also in discounting Bills and Promissory Notes not having a longer period to run than four months from the time of discounting the same respectively, and also in lending money on the Security of personal property for any period not exceeding four months, or in cash accounts to persons depositing undoubted Security, such accounts to be settled at the end of every three months, and in all other branches of business usually transacted by Bankers in Calcutta, and by which said Deed or Agreement it was and is further provided, that the Capital Stock and Fund of the said Company should amount to the sum of 10,00,000 of Company's Rupees, with certain provisos for increasing the same when and if it should be deemed expedient. And whereas difficulties have arisen and may hereafter arise in recovering debts and monies due to the said Company called "The Union Bank of Calcutta," and in maintaining actions for damages done to the same Company, or to the property of the said Union Bank since by law all the Members for the time being of the said Company must be named in every action or suit carried on for such purpose. And whereas it would be convenient that persons having demands against the said Company should be entitled to sue one of the two Officers hereinafter mentioned or described in that behalf: therefore for obviating and removing the difficulties aforesaid—It is hereby enacted, that from and after the passing of this Act, all actions, suits and other proceedings whatsoever, at Law or in Equity, for any injury or wrong done to any real or personal property of the said Union Bank, in whomsoever the same may for the time being be vested whether in the said Company, or in some person or persons in trust for the said Company, or upon or in respect of any present, liability or liabilities to the said Union Bank, or to any person or persons in trust for the said Union Bank, or upon any Bonds, Covenants, Contracts or Agreements which already have been or hereafter shall be given or entered into with the said Company, or to or with any person or persons whomsoever in trust for the said Union Bank, or wherein the said Union Bank is or shall be interested, and also all instruments and petitions to found any adjudication of Insolvency in any Court for the Relief of Insolvent Debtors against any person or persons indebted to the said Union Bank, and liable to have been made Insolvent by the Laws now or at any time hereafter in force relating to Insolvents in the East Indies, and generally all other proceedings whatsoever at Law or in Equity to be commenced, instituted or carried on by or on behalf of the said Union Bank, or wherein the said Union Bank is or shall be concerned or interested against any person or persons, body or bodies, politic or corporate, or others, whether such person or persons, body or bodies, politic or corporate, is or are or shall then be a Member or Members, Proprietor or Proprietors of, or in the said Union Bank, or not, shall and lawfully may be commenced, instituted, presented and prosecuted, or carried on in the name of the person who shall

be the Secretary, or of the person who shall be the Treasurer of the said Union Bank at the time such action, suit or proceeding shall be commenced or instituted as the nominal plaintiff or petitioner for or on behalf of the said Union Bank, and all actions, suits and proceedings at Law or in Equity, as well for subsisting as future accruing claims, debts or demands to be commenced or instituted against the said Union Bank by any person or persons, body or bodies politic or corporate, whether such person or persons, body or bodies politic or corporate, is or are, or shall then be a Member or Members, Proprietor or Proprietors of, or in the said Union Bank or not, shall be commenced, instituted and prosecuted against the said Secretary for the time being of the said Union Bank, or of the said Treasurer for the time being of the said Union Bank, as the nominal defendant, respondent or defender for and on behalf of the said Union Bank, and the death, removal, resignation or any other act of such Secretary or Treasurer, or the Bankruptcy or Insolvency of such Secretary or Treasurer shall not abate or prejudice any action, suit or other proceeding at Law or in Equity commenced under this Act, but the same may be continued, prosecuted and carried on or defended in the name of any other the Secretary or Treasurer for the time being of the said Company.

II. And it is hereby enacted, that from and after the passing of this Act in all indictments, informations and other criminal proceedings brought, instituted or carried on by, or on the behalf of the said Union Bank for fraud or injury upon or against the said Union Bank, or for any felonies, taking, stealing or embezzlement, damaging or destroying, or for any offence whatever relating to any Money, Notes, Bills, Effects, Securities, or any real or personal property of the said Union Bank, or for any other offence against the said Union Bank, it shall be lawful to state such Money, Notes, Bills, Effects and Securities, and other real and personal property in whomsoever the same may be vested whether in the said Union Bank, or in some person or persons in trust for the said Union Bank, to be the Money, Notes, Bills, Effects and Securities, or property of the said Union Bank, or of such Secretary or Treasurer for the time being of the said Union Bank; and any offence committed with intent to injure or defraud the said Union Bank, shall and lawfully may in such prosecution be laid to have been committed with intent to injure or defraud the said Union Bank, or such Secretary or Treasurer for the time being of the said Union Bank, and any offender or offenders may hereupon be lawfully convicted of any such offence, and in all other allegations or indictments, informations, or other proceedings in which before the passing of this Act, it would have been necessary to state the names of the persons composing the said Union Bank, it shall be lawful and sufficient to state the name of such Secretary or Treasurer, and the death, resignation or removal of such Secretary or Treasurer, shall not abate or render defective or in any wise affect or prejudice such indictments, informations or other criminal proceedings.

III. And it is hereby further enacted, that no action which may be commenced against the said Union Bank, or the Secretary or Treasurer for the time being of the said Union Bank, upon or arising out of any contract entered into by or on behalf of the said Union Bank, shall be in any wise affected or defeated by, or by reason of the plaintiff or plaintiffs therein, or of any other person or persons who may be in any wise interested or concerned in such action being a Member or Members of, or a Shareholder or Shareholders, or a Partner or Partners in the said Union Bank, but any Member or Members, or Shareholder or Shareholders of, or Partner or Partners in the said Union Bank, shall and may have the same right of action and remedy to be proceeded in and enforced in the same manner against the said Union Bank, or the Secretary or Treasurer for the time being thereof, upon any contract, and for any debt, damage or demand whatsoever which he or they might have had if he or they had been a stranger or strangers, and not a Member or Members, Shareholder or Shareholders, Partner or Partners of, or in the said Union Bank.

IV. And it is hereby further enacted, that no action commenced by or on behalf of the said Union Bank in the name of the Secretary or Treasurer for the time being thereof, by virtue of this Act upon, or arising out of any contract whatsoever entered into by or on behalf of the said Union Bank, or for the recovery of any debt or demand whatsoever due or owing to the said Union Bank, or for any other cause or any other account shall be in any wise affected or defeated by or by reason of the defendant or defendants therein, or any person or persons who may be in any wise interested or concerned in such action being a Member or Members, Shareholder or Shareholders, or Partner or Partners of or in the said Union Bank, but the said Union Bank shall and may have the same right of action and remedy to be proceeded in and enforced in the same manner against any Member or Members, Shareholder or Shareholders thereof either alone or jointly with any other person or persons upon any contract, and upon and for any debt, damage or demand whatsoever which the said Union Bank might have had if such cause of action had arisen with a stranger or strangers, and not with a Member or Members, or Shareholder or Shareholders, or Partner or Partners of or in the said Union Bank.

And it is hereby further enacted, that all and every judgment and judgments, decree and decrees, order and orders, made or pronounced in any action, suit, or proceedings in any Court of Law or Equity within the limits of the Territories of the East India Company against the Secretary or Treasurer for the time being of the said Union Bank shall subject to the express provisions of this Act have the like effect and operation upon and against the property and funds of the said Union Bank as if such judgment, decree or order had been made or pronounced against all the Members of the said Union Bank, and as if all the Members of the said Union Bank had been parties before the Court to such action, suit and proceedings and as if this Act had not passed.

IX. Provided always and it is hereby further enacted, that in case execution upon any judgment or decree in any such action or suit obtained against the Secretary or Treasurer of the said Union Bank as defendant or respondent or otherwise shall have been issued and taken out against the funds and property of the said Union Bank under the Provisions of this Act, and shall be ineffectual for obtaining full payment and satisfaction for the sum or sums sought to be recovered, then and in such case execution upon any such judgment or decree shall be issued against any other Individual, Proprietor, or Proprietors of the said Union Bank successively as it may become necessary to enforce payment and satisfaction of the said judgment or judgments. Provided also that every such Secretary or Treasurer in whose name any such action or suit shall be commenced, prosecuted or defended, and every Director or Member against whom execution upon any judgment or decree obtained in any such action or suit shall be issued as aforesaid, or as hereinafter mentioned shall always be reimbursed and paid out of the funds or property of the said Union Bank all such loss, damages, costs and charges as by the event of any such proceedings he or they shall be put unto or become chargeable with, and if the funds or property of the said Union Bank shall be insufficient to pay the said loss, damages, costs or charges then the deficiency shall be made good by the Proprietors for the time being of the said Union Bank. Provided also, that if any such execution against the Secretary or Treasurer or Member or Members for the time being of the said Union Bank shall be ineffectual for obtaining payment of the sum or sums sought to be recovered thereby, it shall be lawful for the party or parties so having obtained judgment or decree against the Secretary or Treasurer for the time being of the said Union Bank to issue execution against any other person or persons who was or were a Member or Members thereof at the time the Contract or Contracts was or were entered into upon which such action or suit was or were instituted, but no such execution shall be issued against any other person than the actual party to the action or suit without leave first granted in open Court by the Court in which such action or suit may have been brought or instituted, and when motion shall be made or notice to the person or persons sought to be charged. Provided also, that nothing herein contained shall render such past Members or Proprietors liable for payment of any debt or claim for which such action, suit or proceedings may have been brought to which they would not have been liable by operation of law as Partners in case any action or other proceeding had been originally brought against them for the same.

X. And whereas it is expedient that every Member of the said Union Bank against whom any execution shall be issued upon any judgment or decree under the authority of this Act should have an easy and expeditious mode of recovering all such losses, damages, costs and charges as he or she shall be put to or become chargeable with in consequence thereof. It is therefore hereby enacted, that if any execution upon any judgment or decree obtained in any action, suit or proceeding under this Act shall be issued against any other Proprietor or Member of the said Union Bank, and such Proprietor or Member shall not within the space of one month next after the issuing thereof be reimbursed out of the funds or property of the said Union Bank, all such monies, costs, charges, losses and expences as he or she shall have paid or been put to or become chargeable with in consequence of such execution having been issued against him or her, it shall be lawful for such Member or Proprietor to divide such monies or cost or charges, or so much thereof as he or she shall not have been reimbursed as into as many equal parts or shares as the Capital of the said Union Bank shall at that time be divided into, and each and every Proprietor for the time being of any share or shares in the said Company shall in proportion to the number of shares which he or she may hold in the said Union Bank pay one or more of such parts or shares upon demand to the Member or Proprietor against whom such execution shall have issued, or to his or her Executors or Administrators, and upon the neglect or refusal of any Proprietor of the said Company to pay upon demand his or her due and fair proportion of such monies, costs and charges, then and in such case it shall be lawful for the Proprietor, or

such person to whom the same ought to have been paid, to sue for and recover the same in and by action, suit or plaint against the Proprietor, or the Executors or Administrators of any Proprietor who shall so neglect or refuse as aforesaid in Her Majesty's Supreme Court of Judicature in Calcutta.

XI. And it is hereby enacted, that the Secretary or Treasurer for the time being of the said Union Bank, or any Member of the said Union Bank being the plaintiff, appellant, petitioner or prosecutor, or being the defendant or respondent in any action, suit, petition, proceeding, prosecution or indictment commenced, instituted or prosecuted in the Courts, and within the limits aforesaid by or against the said Union Bank, shall not by reason thereof be deemed incompetent to be a witness in any such action, suit, petition, proceeding, prosecution or indictment; but such Secretary or Treasurer, or Member of the said Union Bank as aforesaid shall and may if not otherwise interested or objectionable be a good and competent witness, and be admissible and be admitted as such in all the Courts above mentioned, and by and before all Judges, Justices and others within the limits aforesaid in any such action, suit, petition, proceeding, prosecution or indictment in the same manner as he or they might have been if his or their name or names had not been made use of as the plaintiff or appellant, petitioner or prosecutor, defendant or respondent in any such action, suit, petition, proceeding, prosecution or indictment or other proceeding.

XII. And it is hereby further enacted, that any individual Member or Members of the said Union Bank, or person or persons who shall have been a Member or Members of the said Union Bank, and have parted with his, her or their shares and interests therein, and who shall claim payment of any dividends of the funds or profits of the said Union Bank due and payable to him, her or them, and not also disposed of and parted with along with such share or shares, or any other right or interest against the said Union Bank generally, shall and lawfully may commence and carry on in any Court of Equity within the limits aforesaid any suit or other proceeding against the Secretary or Treasurer of the said Union Bank for the time being, and in like manner such Secretary or Treasurer for the time being may commence and carry on in his own name by and on behalf of the said Company any suit or other proceeding in any Court of Equity within the limits aforesaid against any individual Member or Members of the said Union Bank, or person or persons who shall have been a Member or Members of the said Union Bank, and have parted with his, her or their shares and interests therein against whom the said Union Bank generally may have any claim or demand, and all such suits and other proceedings shall be as valid and effectual as if all the Members of the said Union Bank had been made parties, and every decree and order made therein shall be binding for or against the said Union Bank, and no abatement shall arise from the death, resignation or removal, or any act or proceeding of any such Secretary or Treasurer pending the suit, nor shall such suit be deemed defective by reason thereof. Provided always that in case for the purpose of discovery or for any other purpose, any person or persons (whether Members of the said Union Bank or not) having claims or demands against the said Union Bank shall be desirous to include any other Member or Members of the said Union Bank, besides the Secretary or Treasurer for the time being, as a defendant or defendants in any Bill or other proceeding in any Court of Equity within the limits aforesaid, it shall be lawful for him, her or them so to do—any thing in this Act contained to the contrary notwithstanding.

XIII. And it is hereby further enacted, that no person or persons, body or bodies politic or corporate, having or claiming to have any demand upon or against the said Union Bank shall when the same has been so determined as to have been pleadable in bar against such person or persons, bodies politic or corporate, bring more than one action or suit in respect of such demand, and the proceedings in any action or actions, suit or suits which may have been brought against the Secretary or Treasurer for the time being of the said Union Bank under the authority of this Act if so determined, may be pleaded in bar of any action or actions, suit or suits in any of the Courts aforesaid for the same cause against any other Secretary or Treasurer, or against any Member of the said Union Bank, and that in case of any demand which the said Union Bank now has or hereafter may have upon or against any person or persons, or body or bodies politic or corporate, whether a Member or Members of the said Union Bank or not, and which shall have been determined in any action or suit, commenced or prosecuted by the Secretary or Treasurer for the time being of the said Union Bank, the proceedings in such action or suit may be pleaded in bar of any other action, or suit, or actions, or suits in any of the Courts aforesaid for the same demand which may be commenced or prosecuted by the same, or any other Secretary or Treasurer of the said Union Bank.

XIV. Provided always and it is hereby further enacted, that nothing in this Act contained shall extend, or be construed to extend to incorporate the said Union Bank, or to relieve or discharge the said Union Bank from any responsibility, contract, duty, or obligation whatever to which by law they now are or at any time hereafter may be subject or liable, either as between the said Union Bank and other parties, or as between the said Union Bank and any of the individual Members of the said Union Bank, or any of them and others, or amongst themselves, or in any manner whatsoever.

XV. And it is hereby further enacted, that this Act and the provisions herein contained shall extend and be construed to extend to the said Company called the Union Bank at all times during the continuance thereof, whether the said Union Bank hath been or be now or shall hereafter be composed of all, or of some of the persons who were the original Members thereof, or of all or some of those persons, together with some other person or persons, or whether the said Union Bank be at the time of the passing of this Act, composed altogether of persons who were not original Members of the said Union Bank, or whether the said Union Bank shall hereafter be composed of persons who were not original Members thereof, or of persons all of whom shall become Members subsequently to the passing of this Act.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

3d —If at the above Sale the entire quantity of 6,500 Chests shall not be sold, it shall subsequently be competent for the Board of Customs, Salt and Opium, to dispose of the lots which remain on hand at future Sales.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 1,000 Rupees per Lot or 200 Rupees per Chest, shall be made by the Purchaser in the Sale Room, and before the Lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Monday, the 19th January 1846, or, on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or Deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such Re-sale, shall be borne and paid by the Defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 19th January 1846, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. No. 2.—Report of the Examination of such Opium.

15th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1844-45, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16th.—Four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

Article of the Convention above referred to.

ARTICLE 6th.—"With regard "to the Trade in Opium it is "agreed between the High Con- "tracting Parties that at each of the periodical Sales of "that Article there shall be reserved for the French Go- "vernment and delivered upon requisition duly made by "the Agents of His Most Christian Majesty, or by the "persons duly appointed by them, the number of Chests "so applied for, provided that such supply shall not ex- "ceed three hundred Chests in each year, and the price "for the same shall be determined by the average rate at "which Opium shall have been sold at every such periodi- "cal Sale, it being understood that, if the quantity of "Opium applied for at any one time shall not be taken on "account of the French Government, by the Agents of "His Most Christian Majesty, within the usual period of "delivery, the quantity so applied for, shall nevertheless "be considered as so much in reduction of the three hun- "dred Chests herein before mentioned, the requisitions for "Opium, as aforesaid, are to be addressed to the Gover- "nor General at Calcutta, within thirty days after notice "of the intended Sales shall have been published in the "Government Gazette."

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 22D NOVEMBER, 1845.

The following Act is brought up before the Legislative Council this day,—Resolved—That the Rules requiring that all Acts shall be brought up for second reading in two months or in three months from the date of the first reading be suspended in respect to the following Proposed Act, and that it be at once passed into Law—the assent of the Right Hon'ble the Governor General of India having been obtained and recorded.

ACT No. XXIII. OF 1845.

An Act to enable "The Union Bank of Calcutta" to sue and to be sued in the name of the Secretary or of the Treasurer of the said Company.

Whereas by and under a certain Deed of Partnership or Association or an Agreement in writing of that nature bearing date the 1st day of August 1839, several persons have formed themselves into a certain Company or Co-partnership by the name of "The Union Bank of Calcutta," by which said Deed or Agreement it was and is provided (amongst other things) that the business of the said Company should consist in issuing Promissory Notes payable to bearer on demand at their Office in Calcutta for any sum of not less than Eight Company's Rupees, and not exceeding One Thousand Company's Rupees, and Bills of Exchange payable at such time after date or sight as the Directors for the time being should fix to parties who should require the same and deposit the amount of such Bills in the said Bank, which deposit should bear interest at such rate as the Directors should fix, and also in discounting Bills and Promissory Notes not having a longer period to run than four months from the time of discounting the same respectively, and also in lending money on the Security of personal property for any period not exceeding four months, or in cash accounts to persons depositing undoubted Security, such accounts to be settled at the end of every three months, and in all other branches of business usually transacted by Bankers in Calcutta, and by which said Deed or Agreement it was and is further provided, that the Capital Stock and Fund of the said Company should amount to the sum of 10,00,000 of Company's Rupees, with certain provisos for increasing the same when and if it should be deemed expedient. And whereas difficulties have arisen and may hereafter arise in recovering debts and monies due to the said Company called "The Union Bank of Calcutta," and in maintaining actions for damages done to the same Company, or to the property of the said Union Bank since by law all the Members for the time being of the said Company must be named in every action or suit carried on for such purpose. And whereas it would be convenient that persons having demands against the said Company should be entitled to sue one of the two Officers hereinafter mentioned or described in that behalf: therefore for obviating and removing the difficulties aforesaid—It is hereby enacted, that from and after the passing of this Act, all actions, suits and other proceedings whatsoever, at Law or in Equity, for any injury or wrong done to any real or personal property of the said Union Bank, in whomsoever the same may for the time being be vested whether in the said Company, or in some person or persons in trust for the said Company, or upon or in respect of any present, liability or liabilities to the said Union Bank, or to any person or persons in trust for the said Union Bank, or upon any Bonds, Covenants, Contracts or Agreements which already have been or hereafter shall be given or entered into with the said Company, or to or with any person or persons whomsoever in trust for the said Union Bank, or wherein the said Union Bank is or shall be interested, and also all instruments and petitions to found any adjudication of Insolvency in any Court for the Relief of Insolvent Debtors against any person or persons indebted to the said Union Bank, and liable to have been made Insolvent by the Laws now or at any time hereafter in force relating to Insolvents in the East Indies, and generally all other proceedings whatsoever at Law or in Equity to be commenced, instituted or carried on by or on behalf of the said Union Bank, or wherein the said Union Bank is or shall be concerned or interested against any person or persons, body or bodies, politic or corporate, or others, whether such person or persons, body or bodies, politic or corporate, is or are or shall then be a Member or Members, Proprietor or Proprietors of, or in the said Union Bank, or not, shall and lawfully may be commenced, instituted, presented and prosecuted, or carried on in the name of the person who shall

be the Secretary, or of the person who shall be the Treasurer of the said Union Bank at the time such action, suit or proceeding shall be commenced or instituted as the nominal plaintiff or petitioner for or on behalf of the said Union Bank, and all actions, suits and proceedings at Law or in Equity, as well for subsisting as future accruing claims, debts or demands to be commenced or instituted against the said Union Bank by any person or persons, body or bodies politic or corporate, whether such person or persons, body or bodies politic or corporate, is or are, or shall then be a Member or Members, Proprietor or Proprietors of, or in the said Union Bank or not, shall be commenced, instituted and prosecuted against the said Secretary for the time being of the said Union Bank, or of the said Treasurer for the time being of the said Union Bank, as the nominal defendant, respondent or defender for and on behalf of the said Union Bank, and the death, removal, resignation or any other act of such Secretary or Treasurer, or the Bankruptcy or Insolvency of such Secretary or Treasurer shall not abate or prejudice any action, suit or other proceeding at Law or in Equity commenced under this Act, but the same may be continued, prosecuted and carried on or defended in the name of any other the Secretary or Treasurer for the time being of the said Company.

II. And it is hereby enacted, that from and after the passing of this Act in all indictments, informations and other criminal proceedings brought, instituted or carried on by, or on the behalf of the said Union Bank for fraud or injury upon or against the said Union Bank, or for any felonies, taking, stealing or embezzlement, damaging or destroying, or for any offence whatever relating to any Money, Notes, Bills, Effects, Securities, or any real or personal property of the said Union Bank, or for any other offence against the said Union Bank, it shall be lawful to state such Money, Notes, Bills, Effects and Securities, and other real and personal property in whomsoever the same may be vested whether in the said Union Bank, or in some person or persons in trust for the said Union Bank, to be the Money, Notes, Bills, Effects and Securities, or property of the said Union Bank, or of such Secretary or Treasurer for the time being of the said Union Bank; and any offence committed with intent to injure or defraud the said Union Bank, shall and lawfully may in such prosecution be laid to have been committed with intent to injure or defraud the said Union Bank, or such Secretary or Treasurer for the time being of the said Union Bank, and any offender or offenders may hereupon be lawfully convicted of any such offence, and in all other allegations or indictments, informations, or other proceedings in which before the passing of this Act, it would have been necessary to state the names of the persons composing the said Union Bank, it shall be lawful and sufficient to state the name of such Secretary or Treasurer, and the death, resignation or removal of such Secretary or Treasurer, shall not abate or render defective or in any wise affect or prejudice such indictments, informations or other criminal proceedings.

III. And it is hereby further enacted, that no action which may be commenced against the said Union Bank, or the Secretary or Treasurer for the time being of the said Union Bank, upon or arising out of any contract entered into by or on behalf of the said Union Bank, shall be in any wise affected or defeated by, or by reason of the plaintiff or plaintiffs therein, or of any other person or persons who may be in any wise interested or concerned in such action being a Member or Members of, or a Shareholder or Shareholders, or a Partner or Partners in the said Union Bank, but any Member or Members, or Shareholder or Shareholders of, or Partner or Partners in the said Union Bank, shall and may have the same right of action and remedy to be proceeded in and enforced in the same manner against the said Union Bank, or the Secretary or Treasurer for the time being thereof, upon any contract, and for any debt, damage or demand whatsoever which he or they might have had if he or they had been a stranger or strangers, and not a Member or Members, Shareholder or Shareholders, Partner or Partners of, or in the said Union Bank.

IV. And it is hereby further enacted, that no action commenced by or on behalf of the said Union Bank in the name of the Secretary or Treasurer for the time being thereof, by virtue of this Act upon, or arising out of any contract whatsoever entered into by or on behalf of the said Union Bank, or for the recovery of any debt or demand whatsoever due or owing to the said Union Bank, or for any other cause or any other account shall be in any wise affected or defeated by or by reason of the defendant or defendants therein, or any person or persons who may be in any wise interested or concerned in such action being a Member or Members, Shareholder or Shareholders, or Partner or Partners of or in the said Union Bank, but the said Union Bank shall and may have the same right of action and remedy to be proceeded in and enforced in the same manner against any Member or Members, Shareholder or Shareholders thereof either alone or jointly with any other person or persons upon any contract, and upon and for any debt, damage or demand whatsoever which the said Union Bank might have had if such cause of action had arisen with a stranger or strangers, and not with a Member or Members, or Shareholder or Shareholders, or Partner or Partners of or in the said Union Bank.

V. And it is hereby further enacted, that the Directors of the said Union Bank shall cause a Memorial in the form and to the effect expressed in the Schedule to this Act, or as near thereto as the circumstances of the case will admit of the name, residences and descriptions of the Directors, Secretary and Treasurer, and of the several persons being Members and Proprietors of the said Union Bank, to be verified by a declaration in writing to be made before the Master in Equity of Her Majesty's Supreme Court of Judicature at Fort William in Bengal, by the Secretary or some one of the said Directors for the time being, and the same shall be enrolled amongst the records of the said Supreme Court within 12 Calendar months next after the passing of this Act; and whenever any new Director or Directors, or Secretary or Treasurer shall be elected a like Memorial shall be verified and enrolled as aforesaid specifying in whose place or places he or they shall be appointed within 12 Calendar months after such appointment, and whenever any person or persons shall cease or discontinue to be a Proprietor or Proprietors of the said Union Bank a Memorial of his, her or their names shall be in like manner verified within 12 Calendar months after such person or persons shall have so ceased or discontinued to be such Proprietor or Proprietors in the Form expressed in the said Schedule for that purpose; and when any new Proprietor or Proprietors shall be admitted into the said Union Bank a Memorial of his, her or their names shall be in like manner verified and enrolled among the records

of the said Supreme Court of Judicature within 12 Calendar months afterwards according to the Form in the said Schedule. Provided always that if any declaration so made shall be false or untrue in any material particular the person wilfully making such false declaration shall be guilty of a misdemeanor.

VI. And it is hereby further enacted, that until such Memorial as first hereinbefore mentioned shall have been deposited and enrolled as hereinbefore directed no action or suit shall be brought by the said Union Bank under the authority of this Act, and until the Memorial by this Act required to be deposited and enrolled in the event of any person or persons ceasing or discontinuing to be a Director or Secretary or Treasurer or Member of the said Union Bank, shall have been deposited and enrolled as hereinbefore mentioned, the person or persons whose names shall appear in the last Memorial which shall have been made and enrolled shall be and are hereby declared to be liable to all such actions, suits, and executions upon judgment or decree and other proceedings under this Act in the same manner as if he, she, or they had not ceased or discontinued to be a Director, Secretary, or Treasurer, or Proprietor of the said Union Bank.

VII. And it is hereby further enacted, that an examined copy of every Memorial to be deposited and enrolled pursuant to this Act, certified to be a true copy by and under the hand and signature of the Keeper of Records and Muniments for the time being of the said Supreme Court of Judicature shall be received in evidence as proof of the contents of such Memorial, and proof shall not be required that the person by whom the Memorial purports to be verified was at the time of such verification one of the Directors of the said Union Bank.

VIII. And it is hereby further enacted, that all and every judgment and judgments, decree and decrees, order and orders, made or pronounced in any action, suit, or proceedings in any Court of Law or Equity within the limits of the Territories of the East India Company against the Secretary or Treasurer for the time being of the said Union Bank shall subject to the express provisions of this Act have the like effect and operation upon and against the property and funds of the said Union Bank as if such judgment, decree or order had been made or pronounced against all the Members of the said Union Bank, and as if all the Members of the said Union Bank had been parties before the Court to such action, suit and proceedings and as if this Act had not passed.

IX. Provided always and it is hereby further enacted, that in case execution upon any judgment or decree in any such action or suit obtained against the Secretary or Treasurer of the said Union Bank as defendant or respondent or otherwise shall have been issued and taken out against the funds and property of the said Union Bank under the Provisions of this Act, and shall be ineffectual for obtaining full payment and satisfaction for the sum or sums sought to be recovered, then and in such case execution upon any such judgment or decree shall be issued against any other Individual, Proprietor, or Proprietors of the said Union Bank successively as it may become necessary to enforce payment and satisfaction of the said judgment or judgments. Provided also that every such Secretary or Treasurer in whose name any such action or suit shall be commenced, prosecuted or defended, and every Director or Member against whom execution upon any judgment or decree obtained in any such action or suit shall be issued as aforesaid, or as hereinafter mentioned shall always be reimbursed and paid out of the funds or property of the said Union Bank all such loss, damages, costs and charges as by the event of any such proceedings he or they shall be put unto or become chargeable with, and if the funds or property of the said Union Bank shall be insufficient to pay the said loss, damages, costs or charges then the deficiency shall be made good by the Proprietors for the time being of the said Union Bank. Provided also, that if any such execution against the Secretary or Treasurer or Member or Members for the time being of the said Union Bank shall be ineffectual for obtaining payment of the sum or sums sought to be recovered thereby, it shall be lawful for the party or parties so having obtained judgment or decree against the Secretary or Treasurer for the time being of the said Union Bank to issue execution against any other person or persons who was or were a Member or Members thereof at the time the Contract or Contracts was or were entered into upon which such action or suit was or were instituted, but no such execution shall be issued against any other person than the actual party to the action or suit without leave first granted in open Court by the Court in which such action or suit may have been brought or instituted, and when motion shall be made or notice to the person or persons sought to be charged. Provided also, that nothing herein contained shall render such past Members or Proprietors liable for payment of any debt or claim for which such action, suit or proceedings may have been brought to which they would not have been liable by operation of law as Partners in case any action or other proceeding had been originally brought against them for the same.

X. And whereas it is expedient that every Member of the said Union Bank against whom any execution shall be issued upon any judgment or decree under the authority of this Act should have an easy and expeditious mode of recovering all such losses, damages, costs and charges as he or she shall be put to or become chargeable with in consequence thereof. It is therefore hereby enacted, that if any execution upon any judgment or decree obtained in any action, suit or proceeding under this Act shall be issued against any other Proprietor or Member of the said Union Bank, and such Proprietor or Member shall not within the space of one month next after the issuing thereof be reimbursed out of the funds or property of the said Union Bank, all such monies, costs, charges, losses and expences as he or she shall have paid or been put to or become chargeable with in consequence of such execution having been issued against him or her, it shall be lawful for such Member or Proprietor to divide such monies or cost or charges, or so much thereof as he or she shall not have been reimbursed as into as many equal parts or shares as the Capital of the said Union Bank shall at that time be divided into, and each and every Proprietor for the time being of any share or shares in the said Company shall in proportion to the number of shares which he or she may hold in the said Union Bank pay one or more of such parts or shares upon demand to the Member or Proprietor against whom such execution shall have issued, or to his or her Executors or Administrators, and upon the neglect or refusal of any Proprietor of the said Company to pay upon demand his or her due and fair proportion of such monies, costs and charges, then and in such case it shall be lawful for the Proprietor, or

such person to whom the same ought to have been paid, to sue for and recover the same in and by action, suit or plaint against the Proprietor, or the Executors or Administrators of any Proprietor who shall so neglect or refuse as aforesaid in Her Majesty's Supreme Court of Judicature in Calcutta.

XI. And it is hereby enacted, that the Secretary or Treasurer for the time being of the said Union Bank, or any Member of the said Union Bank being the plaintiff, appellant, petitioner or prosecutor, or being the defendant or respondent in any action, suit, petition, proceeding, prosecution or indictment commenced, instituted or prosecuted in the Courts, and within the limits aforesaid by or against the said Union Bank, shall not by reason thereof be deemed incompetent to be a witness in any such action, suit, petition, proceeding, prosecution or indictment; but such Secretary or Treasurer, or Member of the said Union Bank as aforesaid shall and may if not otherwise interested or objectionable be a good and competent witness, and be admissible and be admitted as such in all the Courts above mentioned, and by and before all Judges, Justices and others within the limits aforesaid in any such action, suit, petition, proceeding, prosecution or indictment in the same manner as he or they might have been if his or their name or names had not been made use of as the plaintiff or appellant, petitioner or prosecutor, defendant or respondent in any such action, suit, petition, proceeding, prosecution or indictment or other proceeding.

XII. And it is hereby further enacted, that any individual Member or Members of the said Union Bank, or person or persons who shall have been a Member or Members of the said Union Bank, and have parted with his, her or their shares and interests therein, and who shall claim payment of any dividends of the funds or profits of the said Union Bank due and payable to him, her or them, and not also disposed of and parted with along with such share or shares, or any other right or interest against the said Union Bank generally, shall and lawfully may commence and carry on in any Court of Equity within the limits aforesaid any suit or other proceeding against the Secretary or Treasurer of the said Union Bank for the time being, and in like manner such Secretary or Treasurer for the time being may commence and carry on in his own name by and on behalf of the said Company any suit or other proceeding in any Court of Equity within the limits aforesaid against any individual Member or Members of the said Union Bank, or person or persons who shall have been a Member or Members of the said Union Bank, and have parted with his, her or their shares and interests therein against whom the said Union Bank generally may have any claim or demand, and all such suits and other proceedings shall be as valid and effectual as if all the Members of the said Union Bank had been made parties, and every decree and order made therein shall be binding for or against the said Union Bank, and no abatement shall arise from the death, resignation or removal, or any act or proceeding of any such Secretary or Treasurer pending the suit, nor shall such suit be deemed defective by reason thereof Provided always that in case for the purpose of discovery or for any other purpose, any person or persons (whether Members of the said Union Bank or not) having claims or demands against the said Union Bank shall be desirous to include any other Member or Members of the said Union Bank, besides the Secretary or Treasurer for the time being, as a defendant or defendants in any Bill or other proceeding in any Court of Equity within the limits aforesaid, it shall be lawful for him, her or them so to do—any thing in this Act contained to the contrary notwithstanding.

XIII. And it is hereby further enacted, that no person or persons, body or bodies politic or corporate, having or claiming to have any demand upon or against the said Union Bank shall when the same has been so determined as to have been pleadable in bar against such person or persons, bodies politic or corporate, bring more than one action or suit in respect of such demand, and the proceedings in any action or actions, suit or suits which may have been brought against the Secretary or Treasurer for the time being of the said Union Bank under the authority of this Act if so determined, may be pleaded in bar of any action or actions, suit or suits in any of the Courts aforesaid for the same cause against any other Secretary or Treasurer, or against any Member of the said Union Bank, and that in case of any demand which the said Union Bank now has or hereafter may have upon or against any person or persons, or body or bodies politic or corporate, whether a Member or Members of the said Union Bank or not, and which shall have been determined in any action or suit, commenced or prosecuted by the Secretary or Treasurer for the time being of the said Union Bank, the proceedings in such action or suit may be pleaded in bar of any other action, or suit, or actions, or suits in any of the Courts aforesaid for the same demand which may be commenced or prosecuted by the same, or any other Secretary or Treasurer of the said Union Bank.

XIV. Provided always and it is hereby further enacted, that nothing in this Act contained shall extend, or be construed to extend to incorporate the said Union Bank, or to relieve or discharge the said Union Bank from any responsibility, contract, duty, or obligation whatever to which by law they now are or at any time hereafter may be subject or liable, either as between the said Union Bank and other parties, or as between the said Union Bank and any of the individual Members of the said Union Bank, or any of them and others, or amongst themselves, or in any manner whatsoever.

XV. And it is hereby further enacted, that this Act and the provisions herein contained shall extend and be construed to extend to the said Company called the Union Bank at all times during the continuance thereof, whether the said Union Bank hath been or be now or shall hereafter be composed of all, or of some of the persons who were the original Members thereof, or of all or some of those persons, together with some other person or persons, or whether the said Union Bank be at the time of the passing of this Act, composed altogether of persons who were not original Members of the said Union Bank, or whether the said Union Bank shall hereafter be composed of persons who were not original Members thereof, or of persons all of whom shall become Members subsequently to the passing of this Act.

ACT No. XXIV. OF 1845.

An Act for establishing a Court for the trial of Officers of the Pilot Service accused of breach of duty.

I. It is hereby enacted, that from and after the First day of January next, if any person employed in the Pilot Service of the East India Company, at the Presidency of Fort William in Bengal, shall be accused of having committed any breach of duty while engaged in such Service, and it shall appear to the Superintendent of Marine that such person ought to be brought to trial for such breach of duty, such person shall be brought to trial before a Court, consisting of a President and two Merchants of Calcutta, four Commanders of British Ships and two Branch Pilots or Master Pilots of the East India Company's Service, as Members.

II. And it is hereby enacted, that the said President shall be such person as shall be, from time to time appointed for that purpose by the Governor of Bengal.

III. And it is hereby enacted, that whenever it shall appear to such Superintendent of Marine that any person employed in the said Pilot Service ought to be brought to trial before such Court, the said Superintendent shall convene such Court by giving notice to the said President, and Summoning by writing under his hand any two Merchants of Calcutta, any four Commanders of British Ships lying in the Port of Calcutta and any two Branch Pilots or Master Pilots of the East India Company's Service, to appear for the purpose of holding such trial at a time and place to be subsequently intimated to them by the Judge Advocate appointed to conduct the Proceedings of such Court. Provided always that every Court to be held under this Act shall consist of the President, and at least four Members, and that the decision shall in every case be according to the votes of the majority, and that in case of equality of votes the President shall have a casting vote.

IV. And it is hereby enacted, that if after the Court shall have been convened the President shall be prevented by sickness or any other cause from attending the said Court, it shall be lawful for the Members of the said Court, not being less than five in number, to elect one from among themselves, who shall perform the functions of President of the said Court until the end of the trial.

V. And it is hereby enacted, that if any person summoned, as aforesaid, shall neglect or refuse to attend in pursuance thereof, or to remain in attendance to the end of such trial without sufficient cause, then it shall be lawful for the said Superintendent of Marine to impose upon any such person a fine not exceeding the sum of Rupees 200 for every such default, and every Justice of the Peace for the Town of Calcutta is hereby authorized and required upon representation made to him in writing and signed by the said Superintendent, to enforce the payment of such fine in like manner as if such fine had been imposed by himself.

VI. And it is hereby enacted, that the proceedings before such Court shall be conducted on the part of Government by such person as the Governor of Bengal shall from time to time appoint as Judge Advocate for that purpose.

VII. And it is hereby enacted, that it shall be lawful for the said Judge Advocate, and he is hereby authorized and required either at the request of the party accused, or of the party making the accusation, or of the said Court, by writing under his hand to summon any person whatsoever, to attend as a witness at a time and place to be specified in such Summons for the purpose of being examined at any trial before a Court constituted as aforesaid, or if such person shall be about to depart from Calcutta so as to be unable to attend at such trial without serious inconvenience, then to be examined before the President of the said Court, and any two Members of the said Court, provided always that due notice of the time and place of such examination shall be given to the person against whom a charge is about to be preferred, and provided also, that such witness may nevertheless be examined at the trial if he shall be able to attend thereat in which case his previous examination may also be read at the trial.

IX. And it is hereby enacted, that every Member assisting at every such Court before the commencement of any proceeding, to be had before it shall take the following Oath upon the Holy Evangelists, which Oath shall be administered by the President of such Court to the other Members thereof, and to the President by the Judge Advocate, that is to say,

nion of the President, nor my own vote, nor that of any Member of this Court unless required to give evidence thereof as a Witness by a Court of Justice in due course of Law. So help me God."

X. And it is hereby enacted, that the Judge Advocate who is to conduct the Proceedings of the said Court shall take the following Oath. which Oath shall be administered by the President.

PROCLAMATION.

Whereas a Treaty between His Majesty the King of Denmark and the Honorable the East India Company, was concluded and signed in Calcutta on the Twenty-second day of February in the Year of our Lord One Thousand Eight Hundred and Forty-five:

And whereas by the first Article of the said Treaty His said Majesty the King of Denmark engaged for a certain consideration therein specified, to transfer the Danish Settlements on the Continent of India with all the Public Buildings and Crown Property thereunto belonging, to the said Company:

And whereas by the 4th Article of the said Treaty it was provided that the Inhabitants of the aforesaid Settlements, Europeans as well as Natives, who should continue to reside within the Settlements, should be placed under the protection of the General Law of British India, and their religious, personal, or acquired rights as formerly enjoyed under the Danish Government, should be respected as all rights of person or property are throughout British India. And that all suits commenced and pending in the Danish Courts at the time when the Treaty should come into force, should be carried on and decided by the same Law as far as altered circumstances would allow. And that the same should be observed in all cases of Appeal subsequent to the Treaty, but no complaint or suit which should have been finally settled and decided under the Danish Administration, and not appealed in due time under observance of the rules for appeal then in force should be deemed appealable; nor should it be lawful to bring forward again subsequently to the conclusion of the said Treaty, by petition, complaint, or otherwise, such cases as should have already been finally determined by competent authority;

And whereas in pursuance of the said Treaty the Town of Fredericksnagore or Serampore, comprising 60 Biggahs commonly called Fredericksnagore, and the Districts of Serampore, Ackna and Pearapore with all the Public Buildings and Crown Property thereunto belonging, were transferred by His said Majesty the King of Denmark to the said Company on the Tenth day of October in the Year of Our Lord One Thousand Eight Hundred and Forty-five:

It is therefore hereby declared, that the Inhabitants of the said Town and Districts, Europeans as well as Natives, who continue to reside within the Settlements are placed under the protection of the general Law of British India, and their religious, personal or acquired rights as formerly enjoyed under the Danish Government, shall be respected as all rights of person or property are throughout British India.

And it is hereby further declared, that all suits commenced and pending in the Danish Courts of the said Town and Districts at the time when the Treaty came into force, shall be carried on and decided by the same Law as far as altered circumstances will allow, and that the same shall be observed in all cases of appeal subsequent to the Treaty, but no complaint or suit which has been finally decided under the Danish Administration and not appealed in due time under observance of the rules for appeal then in force, shall be deemed appealable, nor shall it be lawful to bring forward again subsequently to the conclusion of the said Treaty, by petition, complaint, or otherwise, such cases as have already been finally determined by competent authority.

And it is hereby further declared, that the said Town of Fredericksnagore or Serampore, and the said Districts of Serampore, Ackna and Pearapore are hereby annexed to the territories subject to the Presidency of Fort William in Bengal.

And whereas by Act XXI. of 1836 it was enacted, that it should be lawful for the Governor General in Council, by an Order in Council to create new Zillahs in any part of the Presidency of Fort William in Bengal and to alter the limits of existing Zillahs:

And whereas for the more convenient administration of the Law within the said Town of Fredericksnagore or Serampore, and the said Districts of Serampore, Ackna and Pearapore, it is expedient that the limits of Zillah Hooghly should be altered so as to include the same: the following Order in Council has this day been passed by the President of the Council of India in Council, and is hereby promulgated for general information.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

Deputy Post Master.

No. 2.—Report of the Examination of such Opium.

15th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1844-45, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16th.—Four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

Article of the Convention above referred to.

ARTICLE 6th.—"With regard "to the Trade in Opium it is "agreed between the High Con- "tracting Parties that at each of the periodical Sales of "that Article there shall be reserved for the French Go- "vernment and delivered upon requisition duly made by "the Agents of His Most Christian Majesty, or by the "persons duly appointed by them, the number of Chests "so applied for, provided that such supply shall not ex- "ceed three hundred Chests in each year, and the price "for the same shall be determined by the average rate at "which Opium shall have been sold at every such periodi- "cal Sale, it being understood that, if the quantity of "Opium applied for at any one time shall not be taken on "account of the French Government, by the Agents of "His Most Christian Majesty, within the usual period of "delivery, the quantity so applied for, shall nevertheless "be considered as so much in reduction of the three hun- "dred Chests herein before mentioned, the requisitions for "Opium, as aforesaid, are to be addressed to the Gover- "nor General at Calcutta, within thirty days after notice "of the intended Sales shall have been published in the "Government Gazette."

Provided that such Sentence shall in no case exceed that which a Regimental Court Martial is competent to award;—and that the proceedings held in all such cases shall be specially reported for the information of the Commander in Chief.

SECTION III.

Administration of Justice.

ARTICLE 67.

Whenever any Officer or Soldier shall commit a crime deserving punishment by Court Martial, he shall, by his Commanding Officer, be put under arrest, if an Officer; or if a Soldier, be confined; until he shall be either tried by a Court Martial, or shall be lawfully discharged by a proper authority; and no Officer or Soldier who shall be put in such arrest or confinement shall continue in his confinement longer than may be actually unavoidable.

And such process of arrest or confinement or an attempt to effect such process, shall in no case be omitted where it may be practicable;—but where resistance may be made, or from other circumstances such process may be impracticable, the offender or offenders shall be liable to trial and punishment at any subsequent period, within the limitations provided in these Articles of War.

ARTICLE 68.

No person shall be liable to be tried or punished for any offence against these Articles, which shall appear to have been committed *more than three years* previous to the order directing the assembly of the Court Martial whereby he is to be tried, unless the person accused, by reason of his absenting himself, or some other manifest impediment, shall not have been amenable to justice within that period; in which case such person shall be liable to be tried, at any time not exceeding *two years* after the impediment shall have ceased.

ARTICLE 69.

Any person amenable to these Articles of War, who may commit any offence against the same, may be tried and punished for such offence in any place within the British Territories, or elsewhere, where he may have come after the commission of the offence, in the same manner as if the offence had been committed where such trial shall take place.

ARTICLE 70.

The Commander in Chief at the Presidencies of Fort William, Fort Saint George, and Bombay respectively for the time being, may appoint General or other Courts Martial, and confirm, mitigate or remit the Sentences of such Courts; and may issue his Warrant to any General or other Officer having the Command of a Body of Troops in the service of Her Majesty or of the East India Company, empowering such Officer to appoint General, or District, or Garrison Courts Martial as occasion may require, for the trial of offences committed by any of the Officers or Soldiers or Followers in the service of the said Company, being Natives of the East Indies, or of other places within the limits of the said Company's Charter, and to confirm, mitigate, or remit the Sentences of such Courts Martial.

ARTICLE 71.

A General Court Martial shall not consist of less than *thirteen* Commissioned Officers, unless it be held out of the East India Company's Territories, where such Court Martial may consist of *seven* Commissioned Officers, if a greater number cannot be conveniently assembled. And no sentence of a General Court Martial shall be put in execution until after a report shall have been made of the whole proceedings to the Commander in Chief, or to some other person duly authorized to confirm the same, and until his directions shall have been signified thereupon.

Powers of a General Court Martial.

ARTICLE 72.

A General Court Martial may sentence any Officer or Soldier to Death or Transportation, for any crimes which are by these Articles of War expressly made liable to sentence of Death or Transportation, and for such crimes only.

And when a Commissioned Officer shall be convicted of any offence, of which the punishment is not defined in these Articles of War, or is left discretionary, a General Court Martial may adjudge such Officer to be dismissed the service;—or to be suspended from rank and pay and allowances, for a stated period;—or to be placed lower on the list of his rank, by an alteration of the date of his Commission, thereby losing the corresponding benefit of length of service; and the Court shall in every such sentence specify the extent or degree of suspension or reduction, which they shall so adjudge;—or the Court may sentence such Officer to be reprimanded in such manner as the Commander in Chief may direct.

And a General Court Martial may sentence any Non-Commissioned Officer to be reduced to the ranks;—or may sentence any Non-Commissioned Officer or Soldier to be dismissed the service;—or to be placed lower in the list of the rank which he holds;—or may sentence any Soldier to suffer Corporal Punishment not exceeding *Two Hundred Lashes*;—or Imprisonment with or without hard labour not exceeding *two years*;—and to be kept in solitary confinement for any portion or portions of such Imprisonment, not exceeding twenty-eight days at a time, nor eighty-four days in any one year, with intervals between the periods of solitary confinement, of not less duration than such periods of solitary confinement.

And a General Court Martial may, in addition either to Corporal punishment or to Imprisonment as aforesaid, sentence a Soldier to forfeiture of all advantage as to additional Pay and to Pension on discharge, which might have otherwise accrued from the length or nature of his former service; or to forfeiture of such advantage absolutely, whether it might have accrued from past service, or might accrue from future service, according to the nature of the case, for *disgraceful conduct*.

And a General Court Martial may, in addition to the punishment of dismissal, sentence any Officer or Soldier to forfeit his arrears of Pay and Allowances due at the time of his discharge, or such proportion thereof as may be required, to make good any loss or damage arising out of his misconduct;—And in addition to any punishment not involving dismissal from the service, may sentence any Officer or Soldier to be put under stoppages not exceeding two-thirds of his Pay and Allowances in the case of an Officer, and not exceeding half of his Pay and Allowances in the case of a Non-Commissioned Officer or Soldier, until the amount of such loss or damage be made good.

Confirmation and Commutation of Sentence, by the Commander in Chief.

ARTICLE 73.

In cases wherein a Sentence of *Death* shall have been awarded by General Court Martial, for any offence against discipline for which sentence of Death is awardable under these Articles of War, the Commander in Chief may confirm such Sentence and cause it to be carried into effect, or may, instead of causing such Sentence to be carried into effect, order the offender, if an Officer, to be Transported for life, or to be dismissed, and if a Soldier to be Transported for life, or to be Imprisoned with or without Hard Labour either for life, or for a certain term of years, and with or without Solitary Confinement, to be regulated as aforesaid, as to the Commander in Chief may seem meet.

In cases of Commissioned Officers Sentenced to *Transportation*, the Commander in Chief may in lieu thereof order the offender to be dismissed. And in cases of Commissioned Officers Sentenced to be *Dismissed* from the service, the Commander in Chief may, in lieu of such Punishment direct, that the offender be suspended from Rank and Pay and Allowances for a certain period, to be distinctly specified by the Commander in Chief.

And the Commander in Chief may commute a Sentence of *Transportation* passed on a Soldier, to Imprisonment with or without Hard Labour, and with or without Solitary Confinement to be regulated as aforesaid; and such Imprisonment may be either for the same period for which Transportation shall have been awarded, or for any lesser period.

And the Commander in Chief may commute a Sentence of *Corporal Punishment* to Dismissal from the service; or, in the case of a Non-Commissioned Officer may mitigate such Sentence to reduction to the ranks; or in the case of a Non-Commissioned Officer or Soldier may commute such Sentence to Imprisonment without Hard Labour, and with or without Solitary Confinement (to be regulated as aforesaid,) for any period not exceeding *two years*, if the sentence shall exceed *one hundred and fifty lashes;* not exceeding *one year* if it shall exceed *one hundred lashes;* and not exceeding *six months* if it shall be *less than one hundred lashes;*—but the term of such commuted Imprisonment may be for any lesser periods respectively, at the discretion of the Commander in Chief.

In cases of Non-Commissioned Officers Sentenced to be *Dismissed* from the service, the Commander in Chief may, in lieu of such punishment, direct that the offender be reduced to the ranks, or placed lower in the list of the rank which he holds.

And in cases of offenders Sentenced to *Imprisonment with Hard Labour*, the Commander in Chief may mitigate such Sentence by causing the offender to be reduced to the ranks, in the case of a Non-Commissioned Officer; or in the case of a Non-Commissioned Officer or Soldier by directing that he be dismissed from the service; or suffer Imprisonment without Hard Labour, and with or without Solitary Confinement, (to be regulated as aforesaid), for any period not exceeding that for which he shall have been Sentenced to such Imprisonment with Hard Labour.

ARTICLE 74.

A District, or Garrison Court Martial shall consist of not less than *Seven* Commissioned Officers, except in situations where that number cannot be conveniently assembled, when such Court may consist of not less than *Five* Commissioned Officers. And such District, or Garrison Court Martial may be composed of Officers of the same Regiment, and shall be assembled in conformity with the orders of the Commander in Chief.

And the Sentence of a District, or Garrison Court Martial shall be confirmed by the Commander in Chief, or by some Officer duly authorized to confirm the same.

Commutation of Sentence.

And the Commander in Chief is empowered to remit or mitigate or commute the Sentences of such Courts Martial, in the same manner as the Sentences of General Courts Martial; and to delegate or withhold the power to Commanding Officers of convening such Courts Martial, and of confirming, remitting, mitigating or commuting the Sentences of such Courts (*not including forfeiture of Pay or Pension or other advantage,*) as the Commander in Chief may deem to be most expedient.

And in case of any Sentence, including forfeiture of additional Pay or of Pension on Discharge, or of any prospective advantage, such Sentence shall not be carried into effect until confirmed by the Commander in Chief; and all forfeitures of any present or prospective advantage shall be restorable by the same authority.

Powers of a District or Garrison Court Martial.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 22D NOVEMBER, 1845.

The following Act is brought up before the Legislative Council this day,—Resolved—That the Rules requiring that all Acts shall be brought up for second reading in two months or in three months from the date of the first reading be suspended in respect to the following Proposed Act, and that it be at once passed into Law—the assent of the Right Hon'ble the Governor General of India having been obtained and recorded.

ACT No. XXIII. OF 1845.

An Act to enable "The Union Bank of Calcutta" to sue and to be sued in the name of the Secretary or of the Treasurer of the said Company.

Whereas by and under a certain Deed of Partnership or Association or an Agreement in writing of that nature bearing date the 1st day of August 1839, several persons have formed themselves into a certain Company or Co-partnership by the name of "The Union Bank of Calcutta," by which said Deed or Agreement it was and is provided (amongst other things) that the business of the said Company should consist in issuing Promissory Notes payable to bearer on demand at their Office in Calcutta for any sum of not less than Eight Company's Rupees, and not exceeding One Thousand Company's Rupees, and Bills of Exchange payable at such time after date or sight as the Directors for the time being should fix to parties who should require the same and deposit the amount of such Bills in the said Bank, which deposit should bear interest at such rate as the Directors should fix, and also in discounting Bills and Promissory Notes not having a longer period to run than four months from the time of discounting the same respectively, and also in lending money on the Security of personal property for any period not exceeding four months, or in cash accounts to persons depositing undoubted Security, such accounts to be settled at the end of every three months, and in all other branches of business usually transacted by Bankers in Calcutta, and by which said Deed or Agreement it was and is further provided, that the Capital Stock and Fund of the said Company should amount to the sum of 10,00,000 of Company's Rupees, with certain provisos for increasing the same when and if it should be deemed expedient. And whereas difficulties have arisen and may hereafter arise in recovering debts and monies due to the said Company called "The Union Bank of Calcutta," and in maintaining actions for damages done to the same Company, or to the property of the said Union Bank since by law all the Members for the time being of the said Company must be named in every action or suit carried on for such purpose. And whereas it would be convenient that persons having demands against the said Company should be entitled to sue one of the two Officers hereinafter mentioned or described in that behalf: therefore for obviating and removing the difficulties aforesaid—It is hereby enacted, that from and after the passing of this Act, all actions, suits and other proceedings whatsoever, at Law or in Equity, for any injury or wrong done to any real or personal property of the said Union Bank, in whomsoever the same may for the time being be vested whether in the said Company, or in some person or persons in trust for the said Company, or upon or in respect of any present, liability or liabilities to the said Union Bank, or to any person or persons in trust for the said Union Bank, or upon any Bonds, Covenants, Contracts or Agreements which already have been or hereafter shall be given or entered into with the said Company, or to or with any person or persons whomsoever in trust for the said Union Bank, or wherein the said Union Bank is or shall be interested, and also all instruments and petitions to found any adjudication of Insolvency in any Court for the Relief of Insolvent Debtors against any person or persons indebted to the said Union Bank, and liable to have been made Insolvent by the Laws now or at any time hereafter in force relating to Insolvents in the East Indies, and generally all other proceedings whatsoever at Law or in Equity to be commenced, instituted or carried on by or on behalf of the said Union Bank, or wherein the said Union Bank is or shall be concerned or interested against any person or persons, body or bodies, politic or corporate, or others, whether such person or persons, body or bodies, politic or corporate, is or are or shall then be a Member or Members, Proprietor or Proprietors of, or in the said Union Bank, or not, shall and lawfully may be commenced, instituted, presented and prosecuted, or carried on in the name of the person who shall

be the Secretary, or of the person who shall be the Treasurer of the said Union Bank at the time such action, suit or proceeding shall be commenced or instituted as the nominal plaintiff or petitioner for or on behalf of the said Union Bank, and all actions, suits and proceedings at Law or in Equity, as well for subsisting as future accruing claims, debts or demands to be commenced or instituted against the said Union Bank by any person or persons, body or bodies politic or corporate, whether such person or persons, body or bodies politic or corporate, is or are, or shall then be a Member or Members, Proprietor or Proprietors of, or in the said Union Bank or not, shall be commenced, instituted and prosecuted against the said Secretary for the time being of the said Union Bank, or of the said Treasurer for the time being of the said Union Bank, as the nominal defendant, respondent or defender for and on behalf of the said Union Bank, and the death, removal, resignation or any other act of such Secretary or Treasurer, or the Bankruptcy or Insolvency of such Secretary or Treasurer shall not abate or prejudice any action, suit or other proceeding at Law or in Equity commenced under this Act, but the same may be continued, prosecuted and carried on or defended in the name of any other the Secretary or Treasurer for the time being of the said Company.

II. And it is hereby enacted, that from and after the passing of this Act in all indictments, informations and other criminal proceedings brought, instituted or carried on by, or on the behalf of the said Union Bank for fraud or injury upon or against the said Union Bank, or for any felonies, taking, stealing or embezzlement, damaging or destroying, or for any offence whatever relating to any Money, Notes, Bills, Effects, Securities, or any real or personal property of the said Union Bank, or for any other offence against the said Union Bank, it shall be lawful to state such Money, Notes, Bills, Effects and Securities, and other real and personal property in whomsoever the same may be vested whether in the said Union Bank, or in some person or persons in trust for the said Union Bank, to be the Money, Notes, Bills, Effects and Securities, or property of the said Union Bank, or of such Secretary or Treasurer for the time being of the said Union Bank; and any offence committed with intent to injure or defraud the said Union Bank, shall and lawfully may in such prosecution be laid to have been committed with intent to injure or defraud the said Union Bank, or such Secretary or Treasurer for the time being of the said Union Bank, and any offender or offenders may hereupon be lawfully convicted of any such offence, and in all other allegations or indictments, informations, or other proceedings in which before the passing of this Act, it would have been necessary to state the names of the persons composing the said Union Bank, it shall be lawful and sufficient to state the name of such Secretary or Treasurer, and the death, resignation or removal of such Secretary or Treasurer, shall not abate or render defective or in any wise affect or prejudice such indictments, informations or other criminal proceedings.

III. And it is hereby further enacted, that no action which may be commenced against the said Union Bank, or the Secretary or Treasurer for the time being of the said Union Bank, upon or arising out of any contract entered into by or on behalf of the said Union Bank, shall be in any wise affected or defeated by, or by reason of the plaintiff or plaintiffs therein, or of any other person or persons who may be in any wise interested or concerned in such action being a Member or Members of, or a Shareholder or Shareholders, or a Partner or Partners in the said Union Bank, but any Member or Members, or Shareholder or Shareholders of, or Partner or Partners in the said Union Bank, shall and may have the same right of action and remedy to be proceeded in and enforced in the same manner against the said Union Bank, or the Secretary or Treasurer for the time being thereof, upon any contract, and for any debt, damage or demand whatsoever which he or they might have had if he or they had been a stranger or strangers, and not a Member or Members, Shareholder or Shareholders, Partner or Partners of, or in the said Union Bank.

IV. And it is hereby further enacted, that no action commenced by or on behalf of the said Union Bank in the name of the Secretary or Treasurer for the time being thereof, by virtue of this Act upon, or arising out of any contract whatsoever entered into by or on behalf of the said Union Bank, or for the recovery of any debt or demand whatsoever due or owing to the said Union Bank, or for any other cause or any other account shall be in any wise affected or defeated by or by reason of the defendant or defendants therein, or any person or persons who may be in any wise interested or concerned in such action being a Member or Members, Shareholder or Shareholders, or Partner or Partners of or in the said Union Bank, but the said Union Bank shall and may have the same right of action and remedy to be proceeded in and enforced in the same manner against any Member or Members, Shareholder or Shareholders thereof either alone or jointly with any other person or persons upon any contract, and upon and for any debt, damage or demand whatsoever which the said Union Bank might have had if such cause of action had arisen with a stranger or strangers, and not with a Member or Members, or Shareholder or Shareholders, or Partner or Partners of or in the said Union Bank.

V. And it is hereby further enacted, that the Directors of the said Union Bank shall cause a Memorial in the form and to the effect expressed in the Schedule to this Act, or as near thereto as the circumstances of the case will admit of the name, residences and descriptions of the Directors, Secretary and Treasurer, and of the several persons being Members and Proprietors of the said Union Bank, to be verified by a declaration in writing to be made before the Master in Equity of Her Majesty's Supreme Court of Judicature at Fort William in Bengal, by the Secretary or some one of the said Directors for the time being, and the same shall be enrolled amongst the records of the said Supreme Court within 12 Calendar months next after the passing of this Act; and whenever any new Director or Directors, or Secretary or Treasurer shall be elected a like Memorial shall be verified and enrolled as aforesaid specifying in whose place or places he or they shall be appointed within 12 Calendar months after such appointment, and whenever any person or persons shall cease or discontinue to be a Proprietor or Proprietors of the said Union Bank a Memorial of his, her or their names shall be in like manner verified within 12 Calendar months after such person or persons shall have so ceased or discontinued to be such Proprietor or Proprietors in the Form expressed in the said Schedule for that purpose; and when any new Proprietor or Proprietors shall be admitted into the said Union Bank a Memorial of his, her or their names shall be in like manner verified and enrolled among the records

of the said Supreme Court of Judicature within 12 Calendar months afterwards according to the Form in the said Schedule. Provided always that if any declaration so made shall be false or untrue in any material particular the person wilfully making such false declaration shall be guilty of a misdemeanor.

VI. And it is hereby further enacted, that until such Memorial as first hereinbefore mentioned shall have been deposited and enrolled as hereinbefore directed no action or suit shall be brought by the said Union Bank under the authority of this Act, and until the Memorial by this Act required to be deposited and enrolled in the event of any person or persons ceasing or discontinuing to be a Director or Secretary or Treasurer or Member of the said Union Bank, shall have been deposited and enrolled as hereinbefore mentioned, the person or persons whose names shall appear in the last Memorial which shall have been made and enrolled shall be and are hereby declared to be liable to all such actions, suits, and executions upon judgment or decree and other proceedings under this Act in the same manner as if he, she, or they had not ceased or discontinued to be a Director, Secretary, or Treasurer, or Proprietor of the said Union Bank.

VII. And it is hereby further enacted, that an examined copy of every Memorial to be deposited and enrolled pursuant to this Act, certified to be a true copy by and under the hand and signature of the Keeper of Records and Muniments for the time being of the said Supreme Court of Judicature shall be received in evidence as proof of the contents of such Memorial, and proof shall not be required that the person by whom the Memorial purports to be verified was at the time of such verification one of the Directors of the said Union Bank.

VIII. And it is hereby further enacted, that all and every judgment and judgments, decree and decrees, order and orders, made or pronounced in any action, suit, or proceedings in any Court of Law or Equity within the limits of the Territories of the East India Company against the Secretary or Treasurer for the time being of the said Union Bank shall subject to the express provisions of this Act have the like effect and operation upon and against the property and funds of the said Union Bank as if such judgment, decree or order had been made or pronounced against all the Members of the said Union Bank, and as if all the Members of the said Union Bank had been parties before the Court to such action, suit and proceedings and as if this Act had not passed.

IX. Provided always and it is hereby further enacted, that in case execution upon any judgment or decree in any such action or suit obtained against the Secretary or Treasurer of the said Union Bank as defendant or respondent or otherwise shall have been issued and taken out against the funds and property of the said Union Bank under the Provisions of this Act, and shall be ineffectual for obtaining full payment and satisfaction for the sum or sums sought to be recovered, then and in such case execution upon any such judgment or decree shall be issued against any other Individual, Proprietor, or Proprietors of the said Union Bank successively as it may become necessary to enforce payment and satisfaction of the said judgment or judgments. Provided also that every such Secretary or Treasurer in whose name any such action or suit shall be commenced, prosecuted or defended, and every Director or Member against whom execution upon any judgment or decree obtained in any such action or suit shall be issued as aforesaid, or as hereinafter mentioned shall always be reimbursed and paid out of the funds or property of the said Union Bank all such loss, damages, costs and charges as by the event of any such proceedings he or they shall be put unto or become chargeable with, and if the funds or property of the said Union Bank shall be insufficient to pay the said loss, damages, costs or charges then the deficiency shall be made good by the Proprietors for the time being of the said Union Bank. Provided also, that if any such execution against the Secretary or Treasurer or Member or Members for the time being of the said Union Bank shall be ineffectual for obtaining payment of the sum or sums sought to be recovered thereby, it shall be lawful for the party or parties so having obtained judgment or decree against the Secretary or Treasurer for the time being of the said Union Bank to issue execution against any other person or persons who was or were a Member or Members thereof at the time the Contract or Contracts was or were entered into upon which such action or suit was or were instituted, but no such execution shall be issued against any other person than the actual party to the action or suit without leave first granted in open Court by the Court in which such action or suit may have been brought or instituted, and when motion shall be made or notice to the person or persons sought to be charged. Provided also, that nothing herein contained shall render such past Members or Proprietors liable for payment of any debt or claim for which such action, suit or proceedings may have been brought to which they would not have been liable by operation of law as Partners in case any action or other proceeding had been originally brought against them for the same.

X. And whereas it is expedient that every Member of the said Union Bonk against whom any execution shall be issued upon any judgment or decree under the authority of this Act should have an easy and expeditious mode of recovering all such losses, damages, costs and charges as he or she shall be put to or become chargeable with in consequence thereof. It is therefore hereby enacted, that if any execution upon any judgment or decree obtained in any action, suit or proceeding under this Act shall be issued against any other Proprietor or Member of the said Union Bank, and such Proprietor or Member shall not within the space of one month next after the issuing thereof be reimbursed out of the funds or property of the said Union Bank, all such monies, costs, charges, losses and expences as he or she shall have paid or been put to or become chargeable with in consequence of such execution having been issued against him or her, it shall be lawful for such Member or Proprietor to divide such monies or cost or charges, or so much thereof as he or she shall not have been reimbursed as into as many equal parts or shares as the Capital of the said Union Bank shall at that time be divided into, and each and every Proprietor for the time being of any share or shares in the said Company shall in proportion to the number of shares which he or she may hold in the said Union Bank pay one or more of such parts or shares upon demand to the Member or Proprietor against whom such execution shall have issued, or to his or her Executors or Administrators, and upon the neglect or refusal of any Proprietor of the said Company to pay upon demand his or her due and fair proportion of such monies, costs and charges, then and in such case it shall be lawful for the Proprietor, or

such person to whom the same ought to have been paid, to sue for and recover the same in and by action, suit or plaint against the Proprietor, or the Executors or Administrators of any Proprietor who shall so neglect or refuse as aforesaid in Her Majesty's Supreme Court of Judicature in Calcutta.

XI. And it is hereby enacted, that the Secretary or Treasurer for the time being of the said Union Bank, or any Member of the said Union Bank being the plaintiff, appellant, petitioner or prosecutor, or being the defendant or respondent in any action, suit, petition, proceeding, prosecution or indictment commenced, instituted or prosecuted in the Courts, and within the limits aforesaid by or against the said Union Bank, shall not by reason thereof be deemed incompetent to be a witness in any such action, suit, petition, proceeding, prosecution or indictment; but such Secretary or Treasurer, or Member of the said Union Bank as aforesaid shall and may if not otherwise interested or objectionable be a good and competent witness, and be admissible and be admitted as such in all the Courts above mentioned, and by and before all Judges, Justices and others within the limits aforesaid in any such action, suit, petition, proceeding, prosecution or indictment in the same manner as he or they might have been if his or their name or names had not been made use of as the plaintiff or appellant, petitioner or prosecutor, defendant or respondent in any such action, suit, petition, proceeding, prosecution or indictment or other proceeding.

XII. And it is hereby further enacted, that any individual Member or Members of the said Union Bank, or person or persons who shall have been a Member or Members of the said Union Bank, and have parted with his, her or their shares and interests therein, and who shall claim payment of any dividends of the funds or profits of the said Union Bank due and payable to him, her or them, and not also disposed of and parted with along with such share or shares, or any other right or interest against the said Union Bank generally, shall and lawfully may commence and carry on in any Court of Equity within the limits aforesaid any suit or other proceeding against the Secretary or Treasurer of the said Union Bank for the time being, and in like manner such Secretary or Treasurer for the time being may commence and carry on in his own name by and on behalf of the said Company any suit or other proceeding in any Court of Equity within the limits aforesaid against any individual Member or Members of the said Union Bank, or person or persons who shall have been a Member or Members of the said Union Bank, and have parted with his, her or their shares and interests therein against whom the said Union Bank generally may have any claim or demand, and all such suits and other proceedings shall be as valid and effectual as if all the Members of the said Union Bank had been made parties, and every decree and order made therein shall be binding for or against the said Union Bank, and no abatement shall arise from the death, resignation or removal, or any act or proceeding of any such Secretary or Treasurer pending the suit, nor shall such suit be deemed defective by reason thereof Provided always that in case for the purpose of discovery or for any other purpose, any person or persons (whether Members of the said Union Bank or not) having claims or demands against the said Union Bank shall be desirous to include any other Member or Members of the said Union Bank, besides the Secretary or Treasurer for the time being, as a defendant or defendants in any Bill or other proceeding in any Court of Equity within the limits aforesaid, it shall be lawful for him, her or them so to do—any thing in this Act contained to the contrary notwithstanding.

XIII. And it is hereby further enacted, that no person or persons, body or bodies politic or corporate, having or claiming to have any demand upon or against the said Union Bank shall when the same has been so determined as to have been pleadable in bar against such person or persons, bodies politic or corporate, bring more than one action or suit in respect of such demand, and the proceedings in any action or actions, suit or suits which may have been brought against the Secretary or Treasurer for the time being of the said Union Bank under the authority of this Act if so determined, may be pleaded in bar of any action or actions, suit or suits in any of the Courts aforesaid for the same cause against any other Secretary or Treasurer, or against any Member of the said Union Bank, and that in case of any demand which the said Union Bank now has or hereafter may have upon or against any person or persons, or body or bodies politic or corporate, whether a Member or Members of the said Union Bank or not, and which shall have been determined in any action or suit, commenced or prosecuted by the Secretary or Treasurer for the time being of the said Union Bank, the proceedings in such action or suit may be pleaded in bar of any other action, or suit, or actions, or suits in any of the Courts aforesaid for the same demand which may be commenced or prosecuted by the same, or any other Secretary or Treasurer of the said Union Bank.

XIV. Provided always and it is hereby further enacted, that nothing in this Act contained shall extend, or be construed to extend to incorporate the said Union Bank, or to relieve or discharge the said Union Bank from any responsibility, contract, duty, or obligation whatever to which by law they now are or at any time hereafter may be subject or liable, either as between the said Union Bank and other parties, or as between the said Union Bank and any of the individual Members of the said Union Bank, or any of them and others, or amongst themselves, or in any manner whatsoever.

XV. And it is hereby further enacted, that this Act and the provisions herein contained shall extend and be construed to extend to the said Company called the Union Bank at all times during the continuance thereof, whether the said Union Bank hath been or be now or shall hereafter be composed of all, or of some of the persons who were the original Members thereof, or of all or some of those persons, together with some other person or persons, or whether the said Union Bank be at the time of the passing of this Act, composed altogether of persons who were not original Members of the said Union Bank, or whether the said Union Bank shall hereafter be composed of persons who were not original Members thereof, or of persons all of whom shall become Members subsequently to the passing of this Act.

I. It is hereby enacted, that from and after the First day of January next, if any person employed in the Pilot Service of the East India Company, at the Presidency of Fort William in Bengal, shall be accused of having committed any breach of duty while engaged in such Service, and it shall appear to the Superintendent of Marine that such person ought to be brought to trial for such breach of duty, such person shall be brought to trial before a Court, consisting of a President and two Merchants of Calcutta, four Commanders of British Ships and two Branch Pilots or Master Pilots of the East India Company's Service, as Members.

II. And it is hereby enacted, that the said President shall be such person as shall be, from time to time appointed for that purpose by the Governor of Bengal.

III. And it is hereby enacted, that whenever it shall appear to such Superintendent of Marine that any person employed in the said Pilot Service ought to be brought to trial before such Court, the said Superintendent shall convene such Court by giving notice to the said President, and Summoning by writing under his hand any two Merchants of Calcutta, any four Commanders of British Ships lying in the Port of Calcutta and any two Branch Pilots or Master Pilots of the East India Company's Service, to appear for the purpose of holding such trial at a time and place to be subsequently intimated to them by the Judge Advocate appointed to conduct the Proceedings of such Court. Provided always that every Court to be held under this Act shall consist of the President, and at least four Members, and that the decision shall in every case be according to the votes of the majority, and that, in case of equality of votes the President shall have a casting vote.

IV. And it is hereby enacted, that if after the Court shall have been convened the President shall be prevented by sickness or any other cause from attending the said Court, it shall be lawful for the Members of the said Court, not being less than five in number, to elect one from among themselves, who shall perform the functions of President of the said Court until the end of the trial.

V. And it is hereby enacted, that if any person summoned, as aforesaid, shall neglect or refuse to attend in pursuance thereof, or to remain in attendance to the end of such trial without sufficient cause, then it shall be lawful for the said Superintendent of Marine to impose upon any such person a fine not exceeding the sum of Rupees 200 for every such default, and every Justice of the Peace for the Town of Calcutta is hereby authorized and required upon representation made to him in writing and signed by the said Superintendent, to enforce the payment of such fine in like manner as if such fine had been imposed by himself.

VI. And it is hereby enacted, that the proceedings before such Court shall be conducted on the part of Government by such person as the Governor of Bengal shall from time to time appoint as Judge Advocate for that purpose.

VII. And it is hereby enacted, that it shall be lawful for the said Judge Advocate, and he is hereby authorized and required either at the request of the party accused, or of the party making the accusation, or of the said Court, by writing under his hand to summon any person whatsoever, to attend as a witness at a time and place to be specified in such Summons for the purpose of being examined at any trial before a Court constituted as aforesaid, or if such person shall be about to depart from Calcutta so as to be unable to attend at such trial without serious inconvenience, then to be examined before the President of the said Court, and any two Members of the said Court, provided always that due notice of the time and place of such examination shall be given to the person against whom a charge is about to be preferred, and provided also, that such witness may nevertheless be examined at the trial if he shall be able to attend thereat in which case his previous examination may also be read at the trial.

VIII. And it is hereby enacted, that every witness duly summoned to attend any such Court or President and two Members, shall during his necessary attendance on such Court or President and two Members, and in going to and returning from the same, be privileged from arrest, and shall, if arrested in breach of such privilege, be discharged by such Court or President and two Members, or by the Supreme Court, or any Judge thereof, or by any Justice of the Peace in and for the Town of Calcutta upon its being made to appear to such Court or President and two Members constituted by this Act, or to such Supreme Court, or Judge, or to such Justice of the Peace by affidavit in a summary way that such witness was arrested in going to or returning from or attending upon such Court or President and two Members constituted by this Act, and that every witness so duly summoned to attend as aforesaid, who shall not attend on such Court or President and two Members, or who attending shall refuse to give evidence on Oath or Solemn Affirmation or Declaration, or to answer all such questions as the Court or President and two Members may legally demand, shall be liable to be attached in the Supreme Court, upon complaint made in like manner as if such witness had neglected to attend on any trial in such Supreme Court.

IX. And it is hereby enacted, that every Member assisting at every such Court before the commencement of any proceeding, to be had before it shall take the following Oath upon the Holy Evangelists, which Oath shall be administered by the President of such Court to the other Members thereof, and to the President by the Judge Advocate, that is to say,

"I, A. B., do swear that I will duly determine and administer justice according to the evidence in the matter that shall be brought before me, and that I will not divulge the sentence till it shall be approved of by competent authority, neither will I at any time divulge the vote or opi-

nion of the President, nor my own vote, nor that of any Member of this Court unless required to give evidence thereof as a Witness by a Court of Justice in due course of Law. So help me God."

X. And it is hereby enacted, that the Judge Advocate who is to conduct the Proceedings of the said Court shall take the following Oath, which Oath shall be administered by the President.

"I, A. B., do swear that I will not upon any account whatsoever disclose or discover any vote or opinion of the President or any particular Member of this Court unless required to give evidence thereof as a witness by a Court of Justice in due course of Law. So help me God."

XI. And it is hereby enacted, that every witness before any such Court or President and two Members, shall be examined upon Oath, which such Courts and President and two Members are hereby authorized to administer. Provided always that in all cases wherein a Solemn Declaration or Affirmation would be allowed in Her Majesty's Courts of Judicature to be substituted for an Oath, the said Court or President and two Members constituted by this Act, shall substitute such Solemn Declaration or Affirmation for an Oath.

XII. And it is hereby enacted, that any person wilfully and knowingly giving false testimony on Oath or Solemn Declaration or Affirmation in any case in which an Oath or Solemn Declaration or Affirmation is by this Act required to be made, shall be deemed guilty of wilful and corrupt perjury, and being duly convicted, shall be liable to the pains and penalties of perjury.

XIII. And it is hereby enacted, that if the party against whom a charge is preferred shall appear, or shall not satisfy the Court that he has a reasonable excuse for not appearing, the said Court shall proceed to hear and determine the charges preferred by the said Superintendent against any person or persons so employed in the Pilot Service as aforesaid, and if such person or persons shall be found guilty by the said Court of the breach of duty laid to his or their charge, it shall be competent to the said Court, and it is hereby required to sentence such person or persons to dismissal from the said Pilot Service, or to such other punishment by loss of rank or pay as to the said Court shall appear fit, whether or not such breach of duty be punishable under a certain Code called the Penal Code for the better order and government of the Members composing the Pilot Service, passed by order of the Right Hon'ble the Vice President in Council, on the 21st December 1826.

XIV. Provided always and it is hereby enacted, that in all cases wherein the charge preferred before such Court is a charge of a breach of duty punishable under the said Code, the said Court shall award such punishment as is prescribed for such breach of duty in the said Code and no other.

XV. Provided also, and it is hereby enacted, that the said Code shall remain in full force as regards the several breaches of duty therein specified, but that it shall be competent for the said Superintendent of Marine, and he is hereby empowered in any case of breach of duty not specified in the said Code, to frame such charge as shall be applicable to the facts of the case and to prefer the same to the said Court.

XVI. Provided always and it is hereby enacted, that nothing in this Act contained shall prevent the said Superintendent from deciding summarily in cases in which he was empowered to decide summarily before the passing of this Act.

XVII. And it is hereby enacted, that the proceedings of such Court shall be sent on completion of the trial to the Superintendent of Marine, and it shall be lawful for the said Superintendent of Marine to sent back the proceedings to the Court for revision of the finding or sentence or both.

XVIII. And it is hereby enacted, that every finding and sentence of such Court as aforesaid shall be subject to the approval of the Governor of Bengal, and that no such finding or sentence shall be considered final or conclusive until it has been submitted to and approved by the Governor of Bengal who is hereby empowered to remit any part or the whole of such sentence as he shall think fit, and that every such sentence either of dismissal from the service or of loss of rank or pay upon being confirmed or mitigated by the said Governor of Bengal, shall be considered valid and effectual from the date of such confirmation or mitigation and shall be forthwith carried into effect.

XIX. And it is hereby enacted, that it shall be lawful for the said Superintendent of Marine to make such Rules for conducting the Proceedings and regulating the practice of the said Courts, and for carrying into effect the purposes of this Act as to the said Superintendent shall seem expedient, and all such Rules shall be submitted to the Governor of Bengal, and shall have full effect after they shall have been confirmed by the Governor of Bengal.

PROCLAMATION.

Whereas a Treaty between His Majesty the King of Denmark and the Honorable the East India Company, was concluded and signed in Calcutta on the Twenty-second day of February in the Year of our Lord One Thousand Eight Hundred and Forty-five:

And whereas by the first Article of the said Treaty His said Majesty the King of Denmark engaged for a certain consideration therein specified, to transfer the Danish Settlements on the Continent of India with all the Public Buildings and Crown Property thereunto belonging, to the said Company:

And whereas by the 4th Article of the said Treaty it was provided that the Inhabitants of the aforesaid Settlements, Europeans as well as Natives, who should continue to reside within the Settlements, should be placed under the protection of the General Law of British India, and their religious, personal, or acquired rights as formerly enjoyed under the Danish Government, should be respected as all rights of person or property are throughout British India. And that all suits commenced and pending in the Danish Courts at the time when the Treaty should come into force, should be carried on and decided by the same Law as far as altered circumstances would allow. And that the same should be observed in all cases of Appeal subsequent to the Treaty, but no complaint or suit which should have been finally settled and decided under the Danish Administration, and not appealed in due time under observance of the rules for appeal then in force should be deemed appealable; nor should it be lawful to bring forward again subsequently to the conclusion of the said Treaty, by petition, complaint, or otherwise, such cases as should have already been finally determined by competent authority:

And whereas in pursuance of the said Treaty the Town of Fredericksnagore or Serampore, comprising 60 Biggahs commonly called Fredericksnagore, and the Districts of Serampore, Ackna and Pearapore with all the Public Buildings and Crown Property thereunto belonging, were transferred by His said Majesty the King of Denmark to the said Company on the Tenth day of October in the Year of Our Lord One Thousand Eight Hundred and Forty-five:

It is therefore hereby declared, that the Inhabitants of the said Town and Districts, Europeans as well as Natives, who continue to reside within the Settlements are placed under the protection of the general Law of British India, and their religious, personal or acquired rights as formerly enjoyed under the Danish Government, shall be respected as all rights of person or property are throughout British India.

And it is hereby further declared, that all suits commenced and pending in the Danish Courts of the said Town and Districts at the time when the Treaty came into force, shall be carried on and decided by the same Law as far as altered circumstances will allow, and that the same shall be observed in all cases of appeal subsequent to the Treaty, but no complaint or suit which has been finally decided under the Danish Administration and not appealed in due time under observance of the rules for appeal then in force, shall be deemed appealable, nor shall it be lawful to bring forward again subsequently to the conclusion of the said Treaty, by petition, complaint, or otherwise, such cases as have already been finally determined by competent authority.

And it is hereby further declared, that the said Town of Fredericksnagore or Serampore, and the said Districts of Serampore, Ackna and Pearapore are hereby annexed to the territories subject to the Presidency of Fort William in Bengal.

And whereas by Act XXI. of 1836 it was enacted, that it should be lawful for the Governor General in Council, by an Order in Council to create new Zillahs in any part of the Presidency of Fort William in Bengal and to alter the limits of existing Zillahs:

And whereas for the more convenient administration of the Law within the said Town of Fredericksnagore or Serampore, and the said Districts of Serampore, Ackna and Pearapore, it is expedient that the limits of Zillah Hooghly should be altered so as to include the same: the following Order in Council has this day been passed by the President of the Council of India in Council, and is hereby promulgated for general information.

By order of the Hon'ble the President of the Council of India in Council,

G. A. BUSHBY,

Secy. to the Govt. of India.

ORDER IN COUNCIL.

It is hereby ordered, that the limits of Zillah Hooghly be altered so as to include the Town of Fredericksnagore or Serampore, and the Districts of Serampore, Ackna and Pearapore.

By order of the Hon'ble the President of the Council of India in Council,

G. A. BUSHBY,

Secy. to the Govt. of India.

FORT WILLIAM,

THE 22D NOVEMBER, 1845.

The following Act is passed by the Hon'ble the President in Council on the 22d November 1845, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XXIV. OF 1845.

An Act for establishing a Court for the trial of Officers of the Pilot Service accused of breach of duty.

I. It is hereby enacted, that from and after the First day of January next, if any person employed in the Pilot Service of the East India Company, at the Presidency of Fort William in Bengal, shall be accused of having committed any breach of duty while engaged in such Service, and it shall appear to the Superintendent of Marine that such person ought to be brought to trial for such breach of duty, such person shall be brought to trial before a Court, consisting of a President and two Merchants of Calcutta, four Commanders of British Ships and two Branch Pilots or Master Pilots of the East India Company's Service, as Members.

II. And it is hereby enacted, that the said President shall be such person as shall be, from time to time appointed for that purpose by the Governor of Bengal.

III. And it is hereby enacted, that whenever it shall appear to such Superintendent of Marine that any person employed in the said Pilot Service ought to be brought to trial before such Court, the said Superintendent shall convene such Court by giving notice to the said President, and Summoning by writing under his hand any two Merchants of Calcutta, any four Commanders of British Ships lying in the Port of Calcutta and any two Branch Pilots or Master Pilots of the East India Company's Service, to appear for the purpose of holding such trial at a time and place to be subsequently intimated to them by the Judge Advocate appointed to conduct the Proceedings of such Court. Provided always that every Court to be held under this Act shall consist of the President, and at least four Members, and that the decision shall in every case be according to the votes of the majority, and that in case of equality of votes the President shall have a casting vote.

IV. And it is hereby enacted, that if after the Court shall have been convened the President shall be prevented by sickness or any other cause from attending the said Court, it shall be lawful for the Members of the said Court, not being less than five in number, to elect one from among themselves, who shall perform the functions of President of the said Court until the end of the trial.

V. And it is hereby enacted, that if any person summoned, as aforesaid, shall neglect or refuse to attend in pursuance thereof, or to remain in attendance to the end of such trial without sufficient cause, then it shall be lawful for the said Superintendent of Marine to impose upon any such person a fine not exceeding the sum of Rupees 200 for every such default, and every Justice of the Peace for the Town of Calcutta is hereby authorized and required upon representation made to him in writing and signed by the said Superintendent, to enforce the payment of such fine in like manner as if such fine had been imposed by himself.

VI. And it is hereby enacted, that the proceedings before such Court shall be conducted on the part of Government by such person as the Governor of Bengal shall from time to time appoint as Judge Advocate for that purpose.

VII. And it is hereby enacted, that it shall be lawful for the said Judge Advocate, and he is hereby authorized and required either at the request of the party accused, or of the party making the accusation, or of the said Court, by writing under his hand to summon any person whatsoever, to attend as a witness at a time and place to be specified in such Summons for the purpose of being examined at any trial before a Court constituted as aforesaid, or if such person shall be about to depart from Calcutta so as to be unable to attend at such trial without serious inconvenience, then to be examined before the President of the said Court, and any two Members of the said Court, provided always that due notice of the time and place of such examination shall be given to the person against whom a charge is about to be preferred, and provided also, that such witness may nevertheless be examined at the trial if he shall be able to attend thereat in which case his previous examination may also be read at the trial.

VIII. And it is hereby enacted, that every witness duly summoned to attend any such Court or President and two Members, shall during his necessary attendance on such Court or President and two Members, and in going to and returning from the same, be privileged from arrest, and shall, if arrested in breach of such privilege, be discharged by such Court or President and two Members, or by the Supreme Court, or any Judge thereof, or by any Justice of the Peace in and for the Town of Calcutta upon its being made to appear to such Court or President and two Members constituted by this Act, or to such Supreme Court, or Judge, or to such Justice of the Peace by affidavit in a summary way that such witness was arrested in going to or returning from or attending upon such Court or President and two Members constituted by this Act, and that every witness so duly summoned to attend as aforesaid, who shall not attend on such Court or President and two Members, or who attending shall refuse to give evidence on Oath or Solemn Affirmation or Declaration, or to answer all such questions as the Court or President and two Members may legally demand, shall be liable to be attached in the Supreme Court, upon complaint made in like manner as if such witness had neglected to attend on any trial in such Supreme Court.

IX. And it is hereby enacted, that every Member assisting at every such Court before the commencement of any proceeding, to be had before it shall take the following Oath upon the Holy Evangelists, which Oath shall be administered by the President of such Court to the other Members thereof, and to the President by the Judge Advocate, that is to say,

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

2d.—The Opium to be offered for Sale at an Upset Price of Rupees 400 per Chest, and to be all sold to the highest bidder above that price.

3d.—If at the above Sale the entire quantity of 6,500 Chests shall not be sold, it shall subsequently be competent for the Board of Customs, Salt and Opium, to dispose of the lots which remain on hand at future Sales.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 1,000 Rupees per Lot or 200 Rupees per Chest, shall be made by the Purchaser in the Sale Room, and before the Lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Monday, the 19th January 1846, or, on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or Deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such Re-sale, shall be borne and paid by the Defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 19th January 1846, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 19th January will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within one Calendar month from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P.M. of Saturday, the 14th Feb 1846, and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit of 1,000 Rupees per Lot or 200 Rupees per Chest, or any Public Securities that may have been deposited on account of such Lots or Chests shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The Receipt for such Deposit will be granted only in the name of such Purchaser, and the Public Securities deposited will be returned when the clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a Deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to One Thousand Rupees per Lot, (or Two Hundred Rupees per Chest,) on each Lot so bid for.

12th.—The Purchaser of any Lot shall have the option of naming and purchasing in immediate succession any number of Lots of the same Agency Opium to the extent of Fifty Lots, and for the Lots so purchased the Purchaser shall Deposit 1,000 Rupees per Lot, and pay the same price per Chest as that for which he purchased his first Lot, provided always that there remain a sufficient number of Lots of that Opium to complete the said Fifty, but not otherwise.

13th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

14th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertised for Sale.

No. 2.—Report of the Examination of such Opium.

15th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1844-45, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16th.—Four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

By order of the Honorable the President in Council,

ORDERS BY THE HON'BLE THE DEPUTY GOVERNOR OF BENGAL.

NOTIFICATION.

THE 10TH DECEMBER, 1845.

Notice is hereby given, that a New Light was exhibited at Flag Staff Point, Trincomalee, on the night of the 1st October 1845, and will be continued from sunset until daylight.

The Lantern, having a fixed Light with two powerful reflectors, when hoisted, is 206 feet above the level of the sea. The Light can be seen 15 miles off from any bearing between Pigeon Island and Foul Point, comprehending an angle of 140 degrees.

The following remarks are published for general information:

	°	′	″	
Latitude of the Light, ...	8	35	38	N.
Longitude East of Madras Flag Staff, ...	0	58	22	E.
Longitude from Greenwich,	81	14	52	E.
Variation of the Compass,...	0	59	37	E.

Foul Point bears from the Light S. 55° E. distant 5½ miles, and the extreme of the reef off that Point S. 60° E. nearly 5 miles.

Ships coming from the S. E. with a fair wind at night, and having made the Light, should on no account in passing Foul Point bring the Light to bear to the Northward of W. N. W., that bearing will take a Ship more than half a mile to the Northward of the reef, and in not less than 14 fms. water.

If it is intended to anchor in Back Bay (which Ships may safely do between the middle of March and 25th of October.) and having brought the Light to bear W. N. W., they may steer directly for it, rounding Flag Staff Point close (the Point being steep too) and anchor in 10 fms. water with the Light bearing about S. b. E., small Vessels may anchor in 6 or 7 fms. water with the Light bearing S. E. b. E.

From the Light, the outside Visible Rock off Pigeon Island, distant about nine miles, is in a direct line with Elizabeth Point bearing N. 15° W.

Ships coming from the Northward and wishing to anchor in Back Bay, should be cautious not to bring the Light to bear to the Eastward of South,

that bearing will lead 2 miles to the Eastward of Pigeon Island and nearly a mile to the Eastward of the Lively Rocks. These Rocks lie half a mile to the Eastward of Elizabeth Point bearing 4 fms. water close too.

When quite sure of being to the Southward of the Lively Rocks, Ships may bring the Light to bear S. b. E and anchor as before directed.

After the 25th October the anchorage in Back Bay is not safe until the middle of March, as there is frequently towards the end of October, before the N. E. Monsoon sets in, a heavy swell with light variable winds.

Ships should not attempt the Inner Harbour during the night except under most favorable circumstances, such as good moonlight and having a person on board possessing local knowledge of the Harbour and the entrance to it.

In such a case, and being abreast of Flag Staff Point, the Light kept N. N. W¼. W. will lead clear of the Chapel Rocks. The extreme Rock, which is under water, bears from the Light S. 18° E. distance 2 miles.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee ..... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,

Deputy Post Master.

The 8th February, 1844

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

The 8th February, 1844.

GENERAL POST OFFICE NOTIFICATION.

IMPORT EXPRESS POSTAGE FROM BOMBAY.

WITH reference to the Notification issued by this Office, under date the 15th ultimo—Notice is hereby given for general information, that by orders of the Government of India, the Bombay General Post Office Notification of the 3d idem, fixing extra rates of Postage on Overland Letters and Papers transmitted thence to Calcutta by Express Mail, has been cancelled, and that the ordinary rates only, will, as heretofore, continue to be charged on covers, forwarded by the usual Import Overland Express from that Presidency.

Calcutta, Genl. Post Office,

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject

to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

Deputy Post Master.

NOTICE.

THE Civil Auditor has more than once, he regrets to say, with inadequate success, called the attention of the Heads of Departments to the necessity of giving with their Monthly Abstracts of Establishment, distinct particulars of their Absent Subordinates and of themselves who are liable to retrenchment in certain cases by the Civil Auditor, when on leave of absence either on Medical or private affairs. Inattention to this imposes upon his Department the labour of tedious research to ascertain the dates they relinquish and resume their respective duties, and as a natural consequence delay in Auditing the Abstracts. The Civil Auditor therefore once more begs publicly to bring the circumstance to the notice of the Departments, and to explain that, the more facilities are afforded, the more dispatch will follow in Auditing their Pay and Allowances.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
" Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

General Post Office,
The 8th February, 1844.

FORT WILLIAM,
FOREIGN DEPARTMENT,
THE 22D DECEMBER, 1845.

The Hon'ble the President of the Council of India in Council is pleased to publish, by authority of the Right Hon'ble the Governor General of India, the following Proclamation:

PROCLAMATION

BY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA.

The British Government has ever been on terms of Friendship with that of the Punjab.

In the year 1809, a Treaty of Amity and Concord was concluded between the British Government and the late Maha Rajah Runjeet Sing, the conditions of which have always been faithfully observed by the British Government, and were scrupulously fulfilled by the late Maha Rajah.

The same friendly relations have been maintained with the successors of Maha Rajah Runjeet Sing by the British Government up to the present time.

Since the death of the late Maha Rajah Shere Sing, the disorganized state of the Lahore Government has made it incumbent on the Governor General in Council to adopt precautionary measures for the protection of the British Frontier, the nature of these measures and the cause of their adoption were at the time fully explained to the Lahore Durbar.

Notwithstanding the disorganized state of the Lahore Government during the last two years, and many most unfriendly proceedings on the part of the Durbar, the Governor General in Council has continued to evince his desire to maintain the relations of Amity and Concord which had so long existed between two States for the mutual interests and happiness of both. He has shown on every occasion the utmost forbearance from consideration to the helpless state of the infant Maha Rajah Dulleep Sing, whom the British Government had recognized as the successor to the late Maha Rajah Shere Sing.

The Governor General in Council sincerely desired to see a strong Seikh Government re-established in the Punjab, able to control its Army, and to protect its subjects: He had not, up to the present moment, abandoned the hope of seeing that important object effected by the patriotic efforts of the Chiefs and people of that country.

The Seikh Army recently marched from Lahore towards the British Frontier, as it was alleged by the orders of the Durbar, for the purpose of invading the British Territory.

The Governor General's Agent, by direction of the Governor General, demanded an explanation of this movement—and no reply being returned within a reasonable time, the demand was repeated. The Governor General, unwilling to believe in the hostile intentions of the Seikh Government, to which no provocation had been given, refrained from taking any measures which might have a tendency to embarrass the Government of the Maha Rajah, or to induce collision between the two States.

When no reply was given to the repeated demand for explanation, and while active Military preparations were continued at Lahore, the Governor General considered it necessary to order the advance of Troops towards the Frontier to reinforce the Frontier posts.

The Seikh Army has now, without a shadow of provocation, invaded the British Territories.

The Governor General must therefore take measures for effectually protecting the British Provinces—for vindicating the authority of the

British Government, and for punishing the violators of Treaties and disturbers of the public peace.

The Governor General hereby declares the possessions of Maha Rajah Dulleep Sing on the left, or British Bank of the Sutlege, confiscated and annexed to the British Territories.

The Governor General will respect the existing rights of all Jagheerdars, Zemindars and Tenants in the said possessions, who, by the course they now pursue, evince their fidelity to the British Government.

The Governor General hereby calls upon all the Chiefs and Sirdars in the Protected Territories to co-operate cordially with the British Government for the punishment of the common Enemy, and for the maintenance of order in these States. Those of the Chiefs who shew alacrity and fidelity in the discharge of this duty which they owe to the Protecting Power, will find their interests promoted thereby, and those who take a contrary course will be treated as enemies to the British Government, and will be punished accordingly.

The Inhabitants of all the Territories on the left Bank of the Sutlege are hereby directed to abide peaceably in their respective villages, where they will receive efficient protection by the British Government. All parties of men found in armed bands, who can give no satisfactory account of their proceedings, will be treated as disturbers of the Public Peace.

All subjects of the British Government and those who possess Estates on both sides the River Sutlege, who, by their faithful adherance to the British Government, may be liable to sustain loss, shall be indemnified and secured in their just rights and privileges.

On the other hand, all subjects of the British Government, who shall continue in the service of the Lahore State, and who disobey this Proclamation by not immediately returning to their allegiance, will be liable to have their property on this side the Sutlege confiscated, and declared to be Aliens and Enemies of the British Government.

FORT WILLIAM,
FOREIGN DEPARTMENT,
THE 22D DECEMBER, 1845.

The Hon'ble the President of the Council of India in Council is pleased to publish, by authority of the Right Hon'ble the Governor General of India, the following Proclamation:

PROCLAMATION

BY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA.

The British Government has ever been on terms of Friendship with that of the Punjab.

In the year 1809, a Treaty of Amity and Concord was concluded between the British Government and the late Maha Rajah Runjeet Sing, the conditions of which have always been faithfully observed by the British Government, and were scrupulously fulfilled by the late Maha Rajah.

The same friendly relations have been maintained with the successors of Maha Rajah Runjeet Sing by the British Government up to the present time.

Since the death of the late Maha Rajah Shere Sing, the disorganized state of the Lahore Government has made it incumbent on the Governor General in Council to adopt precautionary measures for the protection of the British Frontier, the nature of these measures and the cause of their adoption were at the time fully explained to the Lahore Durbar.

Notwithstanding the disorganized state of the Lahore Government during the last two years, and many most unfriendly proceedings on the part of the Durbar, the Governor General in Council has continued to evince his desire to maintain the relations of Amity and Concord which had so long existed between the two States for the mutual interests and happiness of both. He has shown on every occasion the utmost forbearance from consideration to the helpless state of the infant Maha Rajah Dulleep Sing, whom the British Government had recognized as the successor to the late Maha Rajah Shere Sing.

The Governor General in Council sincerely desired to see a strong Seikh Government re-established in the Punjab, able to control its Army, and to protect its subjects: He had not, up to the present moment, abandoned the hope of seeing that important object effected by the patriotic efforts of the Chiefs and people of that country.

The Seikh Army recently marched from Lahore towards the British Frontier, as it was alledged by the orders of the Durbar, for the purpose of invading the British Territory.

The Governor General's Agent, by direction of the Governor General, demanded an explanation of this movement—and no reply being returned within a reasonable time, the demand was repeated. The Governor General, unwilling to believe in the hostile intentions of the Seikh Government, to which no provocation had been given, refrained from taking any measures which might have a tendency to embarrass the Government of the Maha Rajah, or to induce collision between the two States.

When no reply was given to the repeated demand for explanation, and while active Military preparations were continued at Lahore, the Governor General considered it necessary to order the advance of Troops towards the Frontier to reinforce the Frontier posts.

The Seikh Army has now, without a shadow of provocation, invaded the British Territories.

The Governor General must therefore take measures for effectually protecting the British Provinces—for vindicating the authority of the

British Government, and for punishing the violaters of Treaties and the disturbers of the public peace.

The Governor General hereby declares the possessions of Maha Rajah Dulleep Sing on the left, or British Bank of the Sutlege, confiscated and annexed to the British Territories.

The Governor General will respect the existing rights of all Jagheerdars, Zemindars and Tenants in the said possessions, who, by the course they now pursue, evince their fidelity to the British Government.

The Governor General hereby calls upon all the Chiefs and Sirdars in the Protected Territories to co-operate cordially with the British Government for the punishment of the common Enemy, and for the maintenance of order in these States. Those of the Chiefs who shew alacrity and fidelity in the discharge of this duty which they owe to the Protecting Power, will find their interests promoted thereby, and those who take a contrary course will be treated as Enemies to the British Government, and will be punished accordingly.

The Inhabitants of all the Territories on the left Bank of the Sutlege are hereby directed to abide peaceably in their respective villages, where they will receive efficient protection by the British Government. All parties of men found in armed bands, who can give no satisfactory account of their proceedings, will be treated as disturbers of the public peace.

All subjects of the British Government and those who possess Estates on both sides the River Sutlege, who, by their faithful adherence to the British Government, may be liable to sustain loss, shall be indemnified and secured in all their just rights and privileges.

On the other hand, all subjects of the British Government, who shall continue in the service of the Lahore State, and who disobey this Proclamation by not immediately returning to their allegiance, will be liable to have their property on this side the Sutlege confiscated and declared to be Aliens and Enemies of the British Government.

GENERAL POST OFFICE NOTIFICATION.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on "bearing covers," will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon the Office Peons can seldom go out for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters *during* the *night*, are requested to make some arrangement for their receipt and for the payment of postage charged, by *keeping in attendance* at their House or Office, when their Letters are *usually delivered* some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

POST OFFICE NOTIFICATION.

P. and O. Steamers.

THE Bi-monthly Overland Communication having now been regularly established between this Country and Europe, and the arrangements for the conveyance of the Mails, direct, between Calcutta and Suez, finally completed and brought into operation; Notice, accordingly, is hereby given, that the rates of Postage charged on Letters and Papers carried by the Government Steamers from and to Bombay, will likewise be levied, in future, on Letters and Newspapers conveyed by the Peninsular and Oriental Company's Vessels, from and to Calcutta, both by way of Southampton, and via Marseilles.

1. The rules relative to the former, having also been made applicable, in every respect, to the latter, are subjoined for the information and guidance of the Public, in general. The scale of British Steam Postage, is, as follows, viz.

On every letter not exceeding ½ an ounce in weight, ...8 As. or one Shilling.
On ditto above ½ oz. and not exceeding one ounce, ...1 R. or two ditto.
On ditto above 1 oz and not exceeding two ounces, ...2 Rs. or four ditto.
On ditto above 2 oz. and not exceeding three ounces, ...3 Rs. or six ditto.

and so on, increasing One Rupee, or Two Shillings, for every additional ounce weight, or any fraction thereof.

2. British weights not being generally available in this country, the following coins of the Hon'ble Company's currency, are recommended as the best substitutes:

In lieu of ½ an ounce..... One Rupee and One Copper Pie.
In lieu of one ounce..... Two Copper Half Anna Pieces (or Double Pice) and One Pie—the former Coins are procurable by paying the equivalent, at the Mint.

3. Every person confining his English correspondence to the weight of the two former Coins, will be certain of being within the weight prescribed for a single Steamer Letter, and every Letter not exceeding the aggregate weight of the three latter Coins, will, in like manner, be within the weight allowed for a double Steamer Letter.

4. Steam Postage on Letters for Foreign and Continental Europe, or any place to which Great Britain does not necessarily form a channel of communication, forwarded via "Marseilles," as well as letters for Egypt, Syria, Turkey, Greece, and the Mediterranean Islands, subject to Red Sea (Steam) Postage, *must*, as heretofore, be pre-paid in this country.

5. Steam Postage on Letters for the United States or British Colonies in America, or the West Indies (unless addressed to Agents in Great Britain,) *cannot* be pre-paid in this country, whether sent by way of "Marseilles," or via Southampton.

6. The same rule applies equally to Letters for the United Kingdom, comprising England, Scotland, Ireland, Wales, and all the British Islands, despatched through "Marseilles," and also to those for the Continent of Europe, transmitted by way of "Southampton."

7. Letters for any Foreign country, directed to an Agent in England, will be received and disposed of, as if addressed to the United Kingdom.

8. The optional pre-payment of Steamer Postage, applies only to Letters sent, by the "Southampton" Route, to places within the United Kingdom, and vice versa.

9. The Term "Paid (or Pre-paid," which is synonymous) being the distinctive mark (indicative of the wishes of Senders) and the only guide for the Post Office Receivers, all Letters for the United Kingdom via "Southampton," which may be so marked, will, accordingly, be charged with Steamer Postage, and such as are not so superscribed, will be sent "Bearing."

10. The Inland (Indian) Postage which is quite distinct from, and always levied in addition to, Steam Postage, *must* be paid in advance, by the Sender, at the Posting Office, on Letters forwarded from out Stations to Calcutta or Bombay, or from either one Presidency to the other, for transmission by the Steamers, and vice versa, that is, by the Addressee at the Receiving Office. The word paid, therefore, should not be put on any Letter, except on those on which Senders, having the option, intend to Pre-Pay Steam Postage also.

11. No Letter exceeding 12 tolas, (a fraction under 5 ounces) in weight can be transmitted per Letter Mail; but if forwarded by Government Banghy Post, or otherwise sent to Bombay or Calcutta, it may be despatched by the Steamer, from either Presidency.

12. It is particularly requested, that Letters and Papers from the Mofussul, intended for despatch by the Overland Mail, from Calcutta, may be accordingly superscribed, for the guidance of the person who originally receives such Letters at the Posting Office. The route (Southampton or Marseilles) by which they are intended to be forwarded, should always be clearly specified also. Any Letter not marked "Per Steam," or "Overland," will be sent by a Sailing Vessel. In order to avoid mistakes, the name of the country, which a Letter is destined to, (England for example,) should be the last word in the superscription. Letters posted in Calcutta for despatch via Bombay should be accordingly directed.

13. Although ½ ounce is the single weight for regulating Steamer Postage charge, the quarter tola continues to be the single weight for Inland Postage to Bombay, which Letter (from Calcutta to that Presidency,) amounts to Seven Annas.

14. An extra charge of One Rupee for every half tola weight, is made on Letters sent by the Overland Express from Calcutta to Bombay, and no Letter above one tola weight can be forwarded by such conveyance. Thus, for instance, a Pre-Paid Steam Letter of one tola weight, posted in Calcutta for transmission, via Bombay, would be charged with Postage, amounting to Rs. 3-6-0, viz.

Ordinary Inland Postage, ...	0	14	0
Express ditto, ...	2	0	0
Steam ditto, ...	0	8	0
Total Rs.	3	6	0

15. It is requested that no Firm or individual will send Letters exceeding Two Tolas Weight in the aggregate, and that each Letter be superscribed "Overland Express" when intended for such conveyance.

16. The Tola Weight above mentioned is equal to 180 Grains Troy, being the Standard Weight of the Company's Rupee.

17. Postage is levied according to the prescribed weight, without reference to the quality or quantity of the Paper.

18. No Steam Postage whatever is charged in India on Newspapers sent from this country, but Inland Postage to, and from, Bombay must be paid.

19. Receipts, if required, must be brought ready written, along with the Letters, &c. to the Post Office.

The foregoing explanation is given in detail, for the express purpose of preventing mistakes and consequent disappointment.

Any further change that may, hereafter, take place, will be duly notified.

L. J. H. GREY,
Post Master General.

NOTICE.

THE Civil Auditor has more than once, he regrets to say, with inadequate success, called the attention of the Heads of Departments to the necessity of giving with their Monthly Abstracts of Establishment, distinct particulars of their Absent Subordinates and of themselves who are liable to retrenchment in certain cases by the Civil Auditor, when on leave of absence either on Medical or private affairs. Inattention to this imposes upon his Department the labour of tedious research to ascertain the dates they relinquish and resume their respective duties, and as a natural consequence delay in Auditing the Abstracts. The Civil Auditor therefore once more begs publicly to bring the circumstance to the notice of the Departments, and to explain that, the more facilities are afforded, the more dispatch will follow in Auditing their Pay and Allowances.

NOTICE.

THE Civil Auditor has more than once, he regrets to say, with inadequate success, called the attention of the Heads of Departments to the necessity of giving with their Monthly Abstracts of Establishment, distinct particulars of their Absent Subordinates and of themselves who are liable to retrenchment in certain cases by the Civil Auditor, when on leave of absence either on Medical or private affairs. Inattention to this imposes upon his Department the labour of tedious research to ascertain the dates they relinquish and resume their respective duties, and as a natural consequence delay in Auditing the Abstracts. The Civil Auditor therefore once more begs publicly to bring the circumstance to the notice of the Departments, and to explain that, the more facilities are afforded, the more dispatch will follow in Auditing their Pay and Allowances.

GENERAL POST OFFICE NOTIFICATION.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on "bearing covers," will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon the Office Peons can seldom go out for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters *during* the *night*, are requested to make some arrangement for their receipt and for the payment of postage charged, by *keeping in attendance* at their House or Office, when their Letters are *usually delivered* some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

Post Master General.

No. 2.—Report of the Examination of such Opium.

15th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1844-45, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

tioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

ERRATUM

To the Circular Order of the Nizamut Adawlut, No. 24, of the 31st October last.

Rule 2. For "heading (No. 37,)" read "heading (No. 3.)"

NOTICE.

THE Civil Auditor has more than once, he regrets to say, with inadequate success, called the attention of the Heads of Departments to the necessity of giving with their Monthly Abstracts of Establishment, distinct particulars of their Absent Subordinates and of themselves who are liable to retrenchment in certain cases by the Civil Auditor, when on leave of absence either on Medical or private affairs. Inattention to this imposes upon his Department the labour of tedious research to ascertain the dates they relinquish and resume their respective duties, and as a natural consequence delay in Auditing the Abstracts. The Civil Auditor therefore once more begs publicly to bring the circumstance to the notice of the Departments, and to explain that, the more facilities are afforded, the more dispatch will follow in Auditing their Pay and Allowances.

GENERAL POST OFFICE NOTIFICATION.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on "bearing covers," will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon the Office Peons can seldom go out for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters *during* the *night*, are requested to make some arrangement for their receipt and for the payment of postage charged, by *keeping in attendance* at their House or Office, when their Letters are *usually delivered* some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

Post Master General.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, ... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, ... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

Deputy Post Master.
